Weekend Vandals Smash School Windows, Money Stolen

Weekend vandals and burglars broke into schools, smashed windows, stole varying amounts of money and caused nearly $1000 in damages throughout the unincorporated areas of the central county.

According to Inspector Norman Wilson of the central county substation of the sheriff's department, schools were entered in Pleasant Hill, Lafayette and Orinda between Friday night and Monday morning.

THREE PLEASANT Hill youths were arrested Monday by juvenile officers of the sheriff's department and $123 was recovered from breakins at Pleasant Hill Intermediate School and Pleasant Hill Park and Recreation District offices.

The three youths, age 7, 11 and 14, admitted their crimes to sheriff's officers, according to Lieutenant Walter Trawick, chief of detectives.

Meanwhile, deputy sheriffs are still searching for hoodlums who caused some $600 worth of broken windows at five Lafayette District elementary schools.

At Springhill School, 13 windows valued at $35 each were broken. Seven windows were broken at Merriewood School, three each at Burton, Fairview and Montecito Schools. Each window at these schools was valued at approximately $8.

IN ORINDA, the Orinda School on Orinda Way was burglarized and some $65 was taken. Desks were also rifled and school records thrown about, sheriff's reports state.

Alamo School was entered and a small amount of change was taken from the principal's office and windows were broken there.

Wilson pointed out that the vandalism spree in Lafayette could have been the doing of one group of boys going from school to school on bikes. A witness reported that three juveniles were seen near Springhill School and felt they may have been responsible for the damage there.

Wilson noted that most window breakage is done with sling-shots, BB guns or with rocks. The Lafayette window breakage, investigating depunties reported, appeared to be done with a small club.

CHARLES HEMMINGS, chief deputy district attorney for civil matters, informed The Sun that under the state education code the parents of school age children may be held responsible for all wilfull damage caused by their children.

Hemmings explained that the penal code holds parents responsible up to $300 for each "tort" of their children, but the education code holds the parents responsible regardless of the amount of damage.

The breaking of windows with a club, and illegal entry with intention to commit a crime are considered by school officials as "wilfull acts" and parents, should the culprite be caught, could well be paying the entire bill, Sig Hansen, business manager of the Lafayette District noted.

WILSON ADDED that school vandalism rests on the shoulders of parents. "We just have to know where our children are and what they are doing, if we want to stop this malicious mischief," he commented.

"Great steps toward the curtailment of this senseless and wanton destruction can be made through the cooperation of the Parent Teacher Associations and the children," said the long time veteran of the sheriff's office.

Within the incorporated city limits of Concord and Walnut Creek no school damage was reported by city police over the week end.

A Shameful Case Of Vandalism...

AN EDITORIAL

The worst part about it is the fact that our kids are doing the damage.

This is one series of events which we cannot blame on "outsiders . . . those bad kids from over the hill."

Last weekend was pretty busy, as far as the sheriff's office was concerned. Reports flowed in, one after the other, concerning vandalism and damage to local schools.

THE ONLY AREA which seemed to come out pretty well was Walnut Creek, and authorities aren't sure it's because Walnut Creek was just lucky, or because of the police force attached to an incorporated area.

Many are inclined to the former view, because Concord, which has a police force, did not escape.

Lafayette had five schools damaged with over $500 done in damage.

Orinda had two schools . . . and East Bay Municipal Utility District (another public agency) suffered damage to material and property.

Pleasant Hill had one school damaged, and the recreation center was vandalized.

An Alamo school was broken into.

In each instance, it was definitely the work of youngsters.

THIS IS A SHAMEFUL record. The youngsters were local youngsters . . . in many cases breaking into the schools and taking money from the milk fund . . . sometimes as little as 25 or 50 cents . . . but doing hundreds of dollars worth of damage in the process.

This money comes directly out of your pocket. Of course, we all know it wasn't OUR children, but some of us are involved directly . . . we have to be.

The responsibility, as adults, is ours. It is our responsibility to train our own children, and it is our responsibility to report any actions which we feel might be concerned with such events.

For instance because we might not "want to get involved," we might ignore the fact that we see youngsters on the local school yard with a BB gun.

THEY SHOULD NOT be there with such a weapon, and we could not tell what damage might be done, "just for kicks."

The initial responsibility is ours . . . in training our youngsters.

The final responsibility as residents and taxpayers is ours also.

It is unfortunate that the actions of a few responsible youngsters should reflect upon our juveniles as it does, but the facts are there.

It is a shameful record.

County Acts On Tunnel Project Noise

Supervisors Order Start of Abatement Proceedings

The County Board of Supervisors, in a special 90-minute meeting yesterday morning, directed the district attorney's office to begin the preparation of abatement proceedings against the East Bay Municipal Utility District's noisy tunnel-boring operations in Orinda.

The supervisors met prior to their regular meeting yesterday to reach some satisfactory agreement on the construction project which is causing 140 Orindans in the Manzanita Drive area sleepless nights because of the 24-hour dynamite blasting in the tunnel.

Members of the county board also directed the district attorney's office to determine what corrective measures can be taken to eliminate the nuisance of noctunal dynamite blasting, compressor noises, trains going in and out of the tunnel and various other sounds not conducive to sleep.

SUPERVISORS WILL receive the district attorney's report on possible corrective measures at their regular meeting Tuesday morning.

Meanwhile, abatement proceedings are being prepared, so that if no corrective measures can be found or if the contractors, Stolte, Inc.-Fred J. Early Company fail to install the corrective devices, a restraining order can be sought by the county.

Yesterday's meeting was called as the result of a three-hour noise-listening party from 11 p.m. Tuesday to 2 a.m. Wednesday, attended by Chairman Mel Nielsen of the board of supervisors, Supervisors Tom Coll and James Kenny and County Public Works Director Vic Sauer.

THE "PARTY" was held at the home of James Lucas, 3 Monte Vista Road, spokesman for the protesting Orindans, and several residents of the area, stating they couldn't sleep anyway, joined the group.

Nielsen, Coll and Kenny also were the only supervisors present at yesterday's meeting. Nielsen and Kenny voted for the abatement proceedings to be started, while Coll cast a dissenting vote.

Officials of the contracting firms and of EBMUD were on hand at the meeting, as were several of the representative Orinda residents.

THE RESIDENTS charged that the operations Tuesday night were "quieted down" in direct disobedience to the supervisors' orders to carry on a normal operation while they were present.

After listening in Tuesday night, Nielsen said, "It really booms! It wasn't a normal operation and we all knew it."

Don Loorz, vice president of Stolte, Inc., who has represented the contractors throughout the controversy, told the board that some equipment to diminish the amount of compressor noise was due to arrive by air freight yesterday, and as soon as it does, the equipment will be put to use.

HE EXPLAINED that it would be impossible for his firm to eliminate one of the three eight-hour shifts each day, as requested by the Orinda residents, because they have a stubborn timetable to meet on the $4.9 million aqueduct project.

Loorz added that working from both ends of the tunnel would be difficult because the Lafayette terminus is in shallow ground.

"A lot of work at that end," Loorz stated, "would probably mean open cuts, additional nuisance and more hazards. It's better to work it from the Orinda end unless we have to do otherwise."

EBMUD OFFICIALS, who did not attend the Tuesday night session, said yesterday they don't care how the contractors accomplish the job, just so it's completed in accordance with the Fall, 1962 deadline. The district leaders previously agreed that the noises created a great nuisance.

The supervisors trekked to Lucas' home Tuesday night because the Orindan appeared at the board's meeting that morning armed with a petition signed by 140 persons, demanding that work be stopped between the hours of 10 p.m. and 6 a.m. so they could get some sleep.

Lucas had presented the same petition to the board at its previous meeting, January 19, but Nielsen asked him to delay action for seven days because the contractors had agreed to take measures to quiet the din.

THIS WEEK, HOWEVER, Lucas reported that nothing substantial had been accomplished by the contractors and the Orindans were becoming more and more bleary-eyed.

Boring of the tunnel began January 16, and the entire project is scheduled to last 16 months.

Mrs. Pollaczek Is Honored at Award Banquet

"Orinda's Beautification Program is just getting started," Ann Pollaczek said last Thursday night in accepting the 1959 Orinda Man of the Year Award.

Herman Silverman, editor-publisher of The Sun, made the presentation of the award to Mrs. Pollaczek at the annual Awards Banquet held in Mike Lynn's Orinda Willows. A crowd of about 100 persons attended the dinner.

MRS. POLLACZEK was selected for the community's annual honor for her efforts in directing the beautification committee. The selection committee was composed of Mrs. Millard Simon, chairman, Donald M. Anderson and Zach Montgomery.

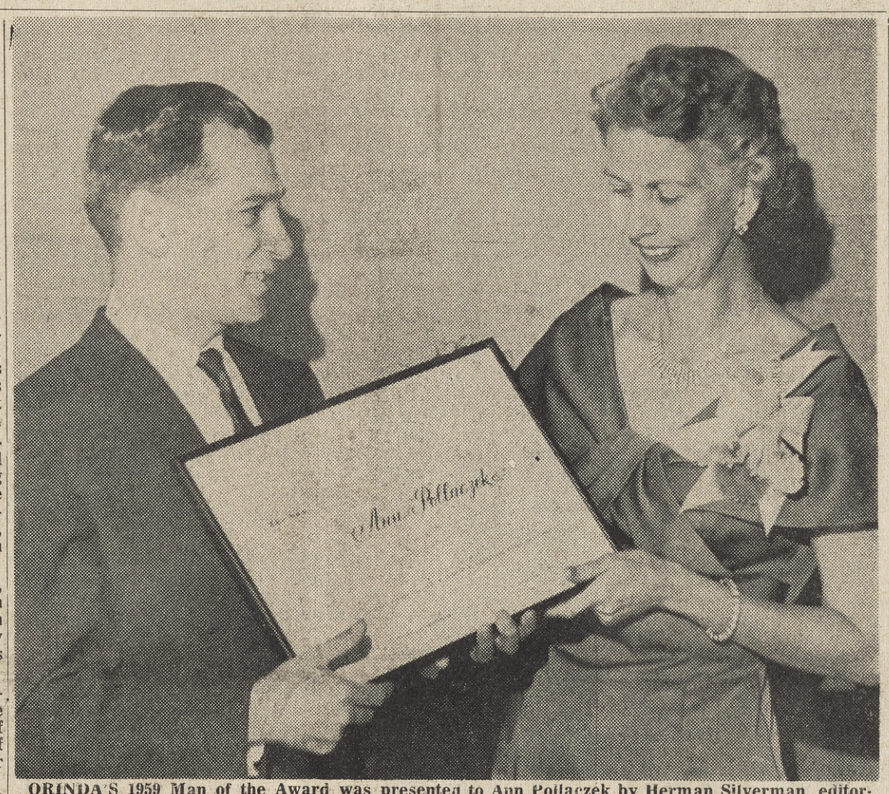
The "Man of the Year" said, "I am accepting this award on behalf of the entire beautification committee and the 13 community groups which it represented. This was no one-man job."

She gave special thanks to Stanley Allen, her co-chairman on the committee, the garden clubs of Orinda, the Orinda Chamber of Commerce and the Orinda Junior Chamber of Commerce.

THE MAN OF the Year Award is sponsored each year by The Sun, and is given to that Orindan whose efforts during the past year or preceding years have done the most for the welfare of the community.

Orinda's Jaycees and The Sun co-sponsor the yearly dinner.

John Miller, president of the Jaycees, conducted the meeting and served as master of ceremonies, while Harry Fledderman, a Jaycee director, was program chairman.



ORINDA'S 1959 Man of the Award was presented to Ann Pollaczek by Herman Silverman, editor-publisher of The Sun, at last Thursday night's annual Awards Banquet held in Mike Lynn's Orinda Willows. Mrs. Pollaczek was chosen to receive "The highest annual award for outstanding service to the community" because of her leadership of Orinda's beautification program.

Orinda Library Friends To Open Lecture Series

The first of a series of coffees followed by lectures to be given by the Friends of the Orinda Library will take place Tuesday at 10 a.m. at the Orinda Library.

The speaker will be A. Starker Leopold, well known lecturer and author. "Wild Life Conservation from Alaska to Mexico" will be his subject. He will present ideas on park preservation and also stimulating suggestions for programs.

LEOPOLD IS A professor of zoology at the University of California, and also associate director of the Museum of Vertebrate Zoology. All members of Orinda Garden Clubs are cordially invited.

Mrs. Kendric B. Morrish and Mrs. Charles J. Gibbs are co-chairmen of the affair.

A number of the members of the Friends of the Orinda Library have been entertaining their neighbors at coffees to interest them in joining the Friends of the Orinda Library.

AMONG THOSE who have been hostesses are Mrs. Robert Tessman, Mrs. Harold Caldwell and Mrs. Robert Powell.

A similar affair is planned for Thursday by Mrs. Miles Hudson.

Another event of interest is the story hour to be given at the Orinda Library on February 9 at 10 a.m. for pre-school children. This story hour will continue for six succeeding Tuesdays. Mothers are also invited. Gretchen Howe of the Young Peoples Service is in charge.

Thurber Leads Writers In Suburbia Today Issue

James Thurber heads the list of contributors to the February issue of SUBURBIA TODAY, which will come tucked in the February 5 edition of The Sun.

Mr. Thurber brings to life "A Moment with Mandy" — a peppery account of his conversation with a precocious eight-year-old (who won't, it seems, take either yes or no for an answer).

There's another gay feature in which romantic novelist Faith Baldwin asks the intriguing question "Should a Girl Propose — Even in Leap Year?" and answers the question in a way which will interest everybody who's ever proposed.

From Leap Year proposals, Suburbia Today jumps to more mundane considerations. In the article, "Don't Let Them Bulldoze You," Dorothy Hayes explains how the citizens of her town saved their area from destructive urbanizing — the poised invasion of motels, drive-ins, and hotdog stands.

Indoor gardeners will welcome Earl Bourgaize's new ideas on what to do with the seeds, roots and tops of many common vegetables and fruits. For further information have a look at "Turnips in the Parlor."

Our cartoonists' subject this month is an ever-timely one — getting to work. Wryly, they decide commuting can be practically a "full day's work."

The future of Suburbia is discussed by eminent economic geographer Dr. Jerome P. Pickard in "The Super City." Dr. Pickard forecasts the arrival of mammoth combines of city and suburb which most of us will live to see.

There is a return of the Ice Age, says George Jaffe, in "Want a Community Skating Rink?", and surveys the great increase in ice-skating interest now sweeping the country.

This month's food pages show six kitchen-tested, easy-to-prepare dishes from the near and far countries of the world, such recipes as Creme Senegalese and Epicurean Beef a la Far East.

Finally, there is an assortment of special suburban happenings in "Getting Around", with perhaps a note from your town.

Waldie Says Big Water Program Can Hurt County

Assemblyman Jerome R. Waldie said last week that the industrial areas of East Contra Costa County will suffer greatly if the state's massive $1.79 billion water program is approved by the voters in November.

Waldie, voted Freshman Legislator of the Year by the Sacramento Press Corps last year, was featured speaker at the annual Orinda Awards Banquet held at Mike Lynn's Orinda Willows.

HE SAID Governor Brown's water program "is ingenious and is a sincere effort to reconcile a heretofore irreconcilable problem," but the contracts which are the basis of the North-South water proposal would serve to injure the county.

The Delta region east of Antioch would become a pool for the taking out of San Joaquin and Sacramento river water for transmittal to southern California areas if the plan is approved, the youthful assemblyman pointed out.

In the east county area, he continued, the problem is to retain enough fresh water in the San Joaquin River for the many industries located there.

DURING CERTAIN times of the year, there is not enough fresh water to repel the river's salt water, and if additional water is removed by the state water plan, the industries would be hard hit, according to Waldie.

He added that during the past few months the water situation "almost got out of hand in the county." County officials had to travel to Washington to obtain additional fresh water from the Federal Bureau of Reclamation via Shasta Dam.

This was caused, he said, by an arid season and a small snowpack in the Sierra the year before.

Waldie said the bond issue which faces the state's voters in November is the largest in California's history.

Weather Warms, Rain Continues; High 61, Low 41

The weather in the Orinda area warmed up during the last week, as the mercury registered a high of 61 and a low of 41 It was the first time in more than a month that there were no freezing temperatures.

Here are the temperatures:

Annual Meeting Of Association Will Be April 4

Directors of the Orinda Association voted Monday night to hold the association's annual general membership meeting Monday, April 4.

The directors discussed scheduling the meeting for April 11, the second Monday in April, as was done last year, but the earlier date was selected because there would be no school available for the session during the second week.

The association's annual membership drive was scheduled by the directors to be held from February 13 through March 20. (See additional story.)

During the months of February and March, in keeping with the membership drive, the directors agreed to meet the second and fourth Mondays instead of only on the fourth Monday.

The meetings will be held February 8 and 23 (the 22nd is Washington's birthday) and March 14 and 28.

Orinda Ass'n Drive to Enroll New Members

A five-week drive for new members will begin February 13 for the Orinda Association.

Mrs. Robert Haslam, drive co-chairman, said, "What is the magic number that would insure Orinda's future?

"3500, according to the postal department. That is the potential membership of the Orinda Association, if we were to get 100 per cent participation in our membership drive.

"**IN CONTRAST**, what is our present membership? Eight hundred families out of 3500, or about 25 per cent. Not too impressive, don't you agree?"

Bruce Howard, drive co-chairman, added, "The small investment of $2 per family makes you part owner of a $40,000 organization. That tops anything your stockbroker can offer!"

He continued, "The amazing figure above includes total assets of the Association, plus the market value of 10 acres owned by the Association at the Crossroads.

"Your neighbors who have volunteered their services to Orinda in becoming directors of the Orinda Association have been most frugal in dispensing funds, too.

"**FOR THE YEAR** 1959, total expenditures equaled $721, which indicates the careful thought and planning that goes into operating our community."

He concluded, "Rapid transit facilities, recreation areas, commuter parking, controlled commercial development, incorporation—these are some of the major problems facing Orinda.

"Make sure that your Orinda Association is able to serve you! Your check for $2 may be sent to P.O. Box 97."

Double Sessions Feared If School Election Fails

There will be more double sessions in the Orinda Union School District if voters fail to approve a state loan authorization proposal at a special election February 9, according to school officials.

Worried school authorities gave out the facts and figures on the loan proposal, and the district's rapidly growing classroom needs at Parent's Club meetings this week.

THEY POINTED OUT student enrollment, increasing at a rate of between 200 to 300 a year, makes it necessary to continue building programs which will meet additional classroom requirements.

The district needs $950,000 for the building program and can borrow all of the amount from the state if the voters say "yes" at the polls.

"The funds we want to borrow," explained District Superintendent J. L. Sheaff, "were established in a state-wide election and are specifically provided for school districts that do not have funds to build more classroom facilities."

"NO INCREASE in taxes will be required to repay this loan," Sheaff said, "and we are convinced that anyone who examined the proposal will be in favor of it."

However, he warned that the issue must be approved at the election by a favorable majority of two-thirds of the votes cast. "Apathy on election day could be most unfortunate," Sheaff said.

The school district actually needs a total of $1,450,000 for additional classrooms to meet projected student enrollments during the next four or five years.

OF THE TOTAL $500,000 can be raised by the sale of district school bonds approved by voters in 1957. The balance of $950,000 must come from the state.

Under the district's building program, the funds would be used to buy property and construct a new school at the Wagner Ranch site for kindergarten through the sixth grades, and to add classrooms at present school sites.

In addition, the district plans to construct a multi-purpose room at Del Rey School and has tentative plans to acquire a new site for another school.

Andrew Catherall Services Are Held

Masonic funeral services were held in Berkeley Tuesday morning for Andrew Catherall, 50, who died unexpectedly at his home, 59 Stanton Avenue, Saturday night.

Mr. Catherall, who miraculously escaped injury in an automobile accident two weeks ago, succumbed to a heart attack. The accident occurred when his station wagon plunged 300 feet off the road into Dimond Canyon in Oakland.

He was a past master of Orinda Masonic Lodge No. 704, and was employed as a supervisor for the Pacific Gas and Electric Company in Emeryville.

Mr. Catherall is survived by his widow, Mrs. Carolyn Catherall of Orinda; a son, Michael Catherall of Orinda; a brother, Alfred H. Catherall of Walnut Creek; and two sisters, Mrs. William E. Merrin and Mrs. E. C. Amerio, both of Oakland.

Services were conducted from the Berkeley Hills Chapel in Berkeley.

'Riding Academy' Being Studied by Ass'n and County

The Orinda Association on Monday night agreed to pursue the case of the Altarinda "riding academy," and county planners and officials are expected to come up with a verdict next week.

They have been looking into the possible commercial aspects of the riding stables and riding ring on the Altarinda properties, leased from Robert Spott and his partners.

The county has ruled that if the stables and ring are for personal use only, they are legal on residential-agricultural property.

Under those conditions, the owners may pasture two horses per acre; however if the area is for a community horse club, a use permit is required.

A use permit will not be issued for a commercial development on the residential-agricultural property, and a rezoning would be necessary, according to Assistant District Attorney John Clausen.

The question arose with the publishment of a classified ad in the Oakland Tribune which offered, "Horse pasture and boarding. 200 acres. Excellent feed and riding trails. Heart of Orinda . ."

A phone call revealed that Norman Geist, Vine Hill horseman, is asking $12.50 per horse per month for pasturing and $40 per horse per month for a stall.

Co-Chairmen Are Named for Local Heart Campaign

Two veteran Heart Sunday volunteers have been named co-chairmen for the 1960 Heart Sunday drive in Orinda.

Mrs. Jesse Schwarck, 35 Via Hermosa, and Mrs. William Van Voorhis, 86 Scenic Drive, will direct the work of over 200 volunteers who will contact their neighbors on behalf of the Contra Costa County Heart Association in a one day drive on February 28.

FOR MRS. SCHWARCK, secretary of the county heart association, this is the fourth year she has served as chairman.

"I'm increasingly gratified each year at the response to our Heart Sunday calls," Mrs. Schwarck said. "This year I am looking forward to greater participation than ever on the part of volunteers, many of whom have had personal experience with heart disease in their families. It is because women like this want to help to fight the heart diseases that people are becoming more aware of the importance of research to find cause, treatment and preventive measures for the nation's Number One killer."

Slogan for the 1960 Heart Fund is "Heart Disease—Your No. 1 Enemy—Your No. 1 Defense—Heart Fund."

MRS. VAN VOORHIS served as a captain in the 1959 Heart Sunday effort. She is active in the Orinda Women's Club and serves as treasurer. The Van Voorhis' have five children; Bill, Jr., 18; Ellen, 16; Karen, 14; Jean, 12; and Bruce, 11.

"Largely because of heart association efforts, Americans are now more hopeful than ever about the heart diseases," Mrs. Van Voorhis pointed out. "People now know that some forms of heart disease can be prevented—other types corrected, and that many who have suffered from heart disease can usually continue to lead useful and productive lives."

In 1959, Orinda contributed $3956 toward the county quota Total amount collected in the County was $56,640. Goal for the 1960 drive is $64,000.

Local Man Jailed On Cabbie's Charge

John Desmond Maatta, 52, of 4 Monroe Court, was placed under citizen's arrest by an Oakland taxi driver early Wednesday after he refused to pay his cab fare of $9, the sheriff's office reported.

Deputy Sheriffs Cliff Clark and Don Colvin said the cab driver, Frank Pappas, told them he transported Matta from Broadway and McArthur Boulevard in Oakland to Orinda and the suspect refused to pay his bill and became abusive.

Suburbia Scribblings

By MARIE MONAHAN

Let it snow, let it snow . . .

SPELLBOUND, we were, being "SNOWBOUND"—esp. since it happened so conveniently & cozyish at Mike Lynn's restaurant at the recent fashion luncheon by Ailanthus, jr. branch of Children's Hospital.

The young Miramonte women were the refreshing models & the ski & After-Ski fashions from das Matterhorn & Ogden's had All The Guests mentally planning a winter wardrobe for the Olympics —or at least a trip to the snow.

(Even for around town, in fact. There WAS some talk of starting the Fad of Knickers! (& remember THAT old saying . . . "Well, don't twist your knickers!")

THE refurbished restaurant w/its new look (Roses & Riding Prints) dotted w/tables of lunching ladies, many young-set members making up tables w/their mothers. Cappy Champion, sporting a new hairdo, lending a hand to the young hostesses, some of whom were Peggy Bowler, Joanne Putnam, Charlotte Kimball as well as Sue Hightower whom we glimpsed taking her Grandmother to a Table for Two.

THE GAIETY OF Tyrolean music-box tunes setting the mood. . . . The Snow Show starting promptly after lunch while guests lingered over coffee. . . . Tall Marty McDacyer adjusting the mike, greeting the throng & introducing petite blonde Yvonne King Courtney who did her commentator duties w/a special flair & sparkle.

THE TINY Yvonne starting her rush of relaxed repartee by removing a high black astrakan hat she was modeling & shaking out her golden locks. . . FIRST down the ramp, Nancy Gosch in avocado green knit sweater, ski pants & flurry alpaca boots. . . . Carolyn Archer coming through the crowd looking like a cute Eskimo in a fur-hooded parka, a German beer stein in her hand.

HAPPY B'DAY wishes to Marsha Nicolet on HER day, SHE modeling an Austrian hand-loomed sweater & Libo reversible parka from Sweden, both in apricot tones.

No need for a hot water bottle here!

IF YOU'VE GOT your love to keep you warm, that's fine, but you'll do better in a metallic gold, red & blue parka by Stroc from Switzerland like the one promenaded by Lonnie Anderson. No need either for a Cold Shoulder if you're covered "after-ski" wearing the nutmeg & red plaid vest & trouser ensemble from Ogden's as was modeled by Karen Weatherbe.

Bonnie McLaverty smiling toward her mother Helen who was lunching w/Evelyn Gleason, Bonnie bowing down the ramp in an Australian wool sweater topping taupe wool slacks.

MORE STANDOUTS on the fashion trail. . . . For a pretty penguin swim in heated pool waters, a stunning black Catalina swim suit silver-buckled fore & aft & modeled by Barbara Syverud, who is an expert Batonist by the way . . .

GALES OF Glee & giddy laughter followed the back room bid from host Mike Lynn who said he'd like to buy the blue & white sampler-stiched Granny gown modeled by Bonnie McLaverty. For himself? inquired Yvonne & later, after they wrapped it up & he ceremoniously paid his six dollars for it, Yvonne added "If that doesn't work, Mike, try the hot water bottle!" More laughter!!

SNOW STOPPERS . . Diane Traverso in a Mexicano jacket (you can wear these w/EVERYTHING!) Pam Kitt in Libo stretch pants, a handsome bulky Canadian sweater w/a charcoal & white reindeer knit, she doing a special turn at her mother's table where Valerie Kitt was lunching w/Jo Thomas, Phyllis Hope & Maudie Hammond.

Pat Canfield in a red Norwegian handknit, pewter-buttoned & matching red stretch pants. . . . The official Olympics sweaters, red, white & blue of course, on Skip Nelson (Sierra Club member) who did a turn w/Barbara Syverud wearing the same handsome look of the '60 Olympics.

Noted in the crowd . . . Lois Pixley & her dghtr. Pam . . . Doris Fernstan & friends . . . Helen Stark applauding . . . Tracking between the tables mit skis yet, Heather Thurston in a black ulla hat, high, wide & handsome w/fur . . . Corded knickers from Germany, a Mexican jacket, a cossack hat & handknit knee sox from Norway gave tall Kurk Lundblad that Internat'l Look. (What a handsome handful of young people!)

MARGE Williams in a Guatamalan ensemble w/tots Cal & Billy Eddy in tow, this pint-sized pair stopping to catch a goody-gift from Yvonne King . . . Ken Fredericks of das Matterhorn called forth for a round of applause, he leaving for the races at Donner Summit Ski Ranch later that day . . . Gertrude Ogden introduced Jackie Archer who has been the Guiding Light of the young ladies of Ailanthus catching due kudos, too.

INTERMISSION time treat to songs by Judy Nordmark of Alameda Hi who has many friends here at Miramonte . . . Door prizes —a pair of skis won by Bonnie Schmidt & Allison Stampley the lucky tkt. holder for the colorful ski sweater given away.

THE unusual fashion show concluding w/standouts of Tina Cole looking like a Koala Bear in a black fur parka w/a white fox hood, black llama slippers . . . Beni Franzini (one of das M's owners) coming through the wry in a Fireman's hat, a long Mother Hubbard gown & carrying a fire axe.

A Tyrolean Trio of Jim Boyd, Sue Jensen & little Cory Franzini in Lederhosen outfits . . . & sighs of spring around the corner, a go-anyplace spectator suit of pristine white cotton on Kathy Stafford who wore it w/a red & wht. check cotton shirt.

Out of my hot little head!

Yvonne King left the following day for a Coronado singing date w/the King Sisters & down that way for a convention at the same time last wk. were Allie & Lloyd Rasmussen who had themselves a 5-day respite.

Lloyd's brother Rudy & his wife Gloria are expected down from their new home in Reno this wknd. for the Hill & Dale dance at Orinda Country Club & will be houseguests of the Jack Lackeys who will entertain for cocktails beforehand. The Lackeys are still sifting sand from following the Crosby Clambake last wknd.

Didja know that Marian Hutchinson is a sister of Lloyd & Rudy Rasmussen? You didn't? Well, now you do! One of these days we'll get Everybody straightened out & let you know. There are all kinds of relatives related to each other in Orinda!?!

You wouldn't think anybody had to teach Capt. Satellite to fly but that's exactly what Charles Brown of Mariposa Lane is doing. Brown, a pilot-teacher at Buchanan, has among his pupils that fearless space traveler who shows up in his black satin suit for flying lessons. The Browns move soon to Berkeley. For what happens to Capt. Satellite, you'll have to consult your kiddies.

DON'T Everybody get excited but it's not just Scuttlebutt & there will be a huge wall-to-wall reunion of UNiversity High grads (all classes since 1930) at the Claremont come May.

Coming up on the calendar, too, another Barnyard Frolic (in the Orinda Motors Garage) by the Orinda Parents Club . . . A first-time Pool & Patio party in May by the Miramonte Parents Club will be given, where else, but around the rim of the new high school pool. (& why doesn't the Parents' Club go to bat for after-game dances?)

IT'S JUNE IN JANUARY for two former Orinda school teachers—Gary Lawrence & Joan Parker whose engagement was announced over the holidays at her family home in Riverside & now via the Dramateurs' newsletter, the news is shrieking out. They plan a summer wedding.

The modern hilltop domain of Dr. & Mrs. Jerry Donchin (he's our Medic Maestro, please!) is being featured on the cover & inside the slick pages of the current semi-annual issue of Book of Homes. The house was designed by Wally Brooks & the Donchines live happily there w/SIX children!

O yes, w/Count Marco coming to town soon (Feb. 10) better think in terms of something besides your Basic Black . . . or should we all gang up on him & wear Just That? (I couldn't care less!)

Well, Al Baer & this customer were just standing there shooting the breeze & the customer was complaining the lack of anyplace around town to take a good old-fashioned walk. Well, why don't we get ourselves a park or a Village Green? "Good Idea," said Al, "let's have a Square!" Retorted friend, "Yes, you build it & we'll call it—Baer Square."?!?

That's all for today, brother . . . from my feverish hot little head!

Rev. Blossom To Hospital

Reverend Chauncey Blossom of the Orinda Community Church has returned to the Alta Bates Community Hospital, Berkeley, for a second eye operation, it was reported. Fellow Orinda Rotarians have been reminded they can call him at TH 5-7112, Room 316.

In the Classroom . . .

Del Rey

Both fifth grade classes at the Del Rey School this week completed unique homework assignments.

The students were to select individual recipes for cookies, divide the measurements in half and bake the cookies for examination by their teachers, Mrs. Steiss and Mr. Robertson. The assignment encouraged adult supervision, but not help.

ALL OF THE approximately 60 fifth graders participated in the assignment and the teachers indicated boys as well as girls were excited about the opportunity to bake cookies.

Principal Herman Nyland reported there was a great variety of cookies and none were burned.

The assignment was related to one the fifth graders had just before Christmas, when each student was to bring in a single recipe and all of the recipes were put together into a class recipe book.

Orinda

Mrs. Doctorman's third grade class culminated its study of the nation's newest state, Hawaii, this week with an authentic Hawaiian luau in the classroom.

The students sat on the floor and partook of such delicacies as fish, poi, Hawaiian salad, pineapple juice and coconut juice.

MEMBERS OF THE class wore Hawaiian leis and hula skirts they made themselves, large fig leaves were used as tablecloths and the girls in the class performed a hula dance at the conclusion of the luau.

The class next will turn its studious attention to the continent of Africa, and plans call for this study to culminate in another great feast.

What's happening weather-wise in Orinda is the subject of greatest interest among students in Mr. Ruby's iffth and sixth grade classes.

The students have built themselves weather-measuring instruments such as thermometers, hydrometers and barometers.

From their deep and involved study, the class members have determined that "We shall continue to experience wet weather for awhile."

Parents Will Hear Exchangees

The February meeting of the Miramonte Parents' Club is being planned by the Orinda chapter of the American Field Service. It will take place on February 8 in the high school cafeteria at 8 p.m.

Mrs. Thomas F. Mika, president of the AFS chapter, has announced that the program will feature a panel discussion by exchange students who are attending the various high schools in this area and Robert Newman, Miramonte student who is returning after several months in Italy.

The Reverend Carl Thomas, pastor of the Lafayette-Orinda Presbyterian Church, will be moderator.

THE STUDENTS from abroad are Yoko Abe from Japan and Charles R. Trippe from England who are attending Acalanes; Bernard Garnier of France from Las Lomas; Diana Figueroa of the Philippines from Pleasant Hill; Mohamad Reza Neghabat of Iran from San Ramon; and from Miramonte, Sri Widiati Saebani of Java and Enrique Lopez Bruno of Spain.

David Dail, who spent last summer with a family in West Germany under American Field Service sponsorship, will tell of the exchange student program.

Stanley, Allan, program chairman of the Miramonte Parents' Club, will present the program.

Refreshments will be served by the Parents' Club.

Methodist Youth Elect Officers

The Methodist Youth Fellowship, a group consisting of the teenage members of the Orinda-Moraga Methodist Church, has recently been organized.

At the last meeting officers for the youth group were elected.

The officers are: President, Brad Harlan, 49 Santa Maria Way, Orinda; vice president, Sue Mayhew, 1114 Larch, Moraga; secretary treasurer, Cathy Cline, 518 Miner Road, Orinda; publicity chairman, Steve Scott, 2 Totterdale Court, Orinda; trip chairman, Bill Van Horn, 1 Corte Del Rey, Orinda.

Many activities are planned for this year including a ski trip to be held later in the winter months. This week the group will go to the Santa Cruz Mountains to hold a planning retreat. The group feels that by working closely with the church they will be an asset to the Orinda community.

CARS OVER BRIDGE

A grand total of 573,841,395 vehicles had passed over the San Francisco-Oakland Bay Bridge as of November 30, 1959, reports the National Automobile Club.

School Ceremony Will Be Feb. 7

Formal dedication of the new Inland Valley Elementary School will be held Sunday, February 7, under the direction of the school's parents' club.

The ceremonies will include the raising of the school's flag, procured for the district by Congressman John Baldwin, according to Mrs. Francis Yriberri, parents' club president.

Free X-Rays Are Available

Free chest X-rays will be available to residents of the Walnut Creek area, 15 years and over, next Friday.

The X-ray unit will be located at 1400 Broadway in the Broadway Shopping Center, and will be open to the general public from 2 to 5 p.m. and from 6 to 7:30 p.m.

Boats, Skis Making Someone Very Happy!

K. E. Matheson of 1500 San Miguel Drive, Walnut Creek, sold a dining set, 14-foot boat and trailer and skis and accessories with a single classified ad in The Sun.

He described the results as "wonderful," and this is not unusual for the hundreds of Sun classified customers each week.

Their ads get the best local coverage, since they automatically go into The Sun Shopping News, distributed free to 40,000 central county homes, and also the widely (and carefully) read Walnut Creek Sun, Orinda Sun, Lafayette Sun and Pleasant Hill Sun subscription papers.

This 5-in-1 treatment is unique in the central county.

"Success stories" are legion. They include Mrs. William Wahrar of 1107 Victory Lane, Concord, who sold her living room furniture, dining set and carpeting.

Also Mrs. F. R. Preece of 847 Solano Drive, Lafayette, who sold a crib, high chair and enlarger, and M. A. Yetter of 6 James Court, Walnut Creek, who sold his 1948 panel truck.

Guitar Master At Opera House

Andres Segovia, world famous master of the Spanish guitar will appear in concert with the San Francisco Symphony Orchestra, under the baton of Enrique Jorda, on Wednesday at 8:30 p.m., Friday at 2:15 p.m. and February 6 at 8:30 p.m. in the Opera House.

The renowned guitarist last appeared with the San Francisco Symphony two seasons ago.

Segovia will be heard, with Jorda and the San Francisco Symphony in the Concerto for Guitar and Orchestra by Castelnuovo-Tedesco, written especially for him. He also will be heard in Moreno Torroba's Concertino for Guitar and String Orchestra, as well as several solo works to be announced.

Girls Cheering Patients in Rest Homes, Hospitals

About 70 girls from Las Lomas, Pleasant Hill, Acalanes, San Ramon, and Miramonte High Schools, also Stanley Intermediate, are cheering the days of rest home and convalescent hospital patients.

Junior Gray Ladies, an activity of the high school Junior Red Cross, have been giving many hours to area shut-ins.

Sixteen of these girls will receive their gray and white caps for 30 hours of service at the first capping tea, to be held tomorrow at the Red Cross Chapter house, 1359 Civic Drive, Walnut Creek.

Parents, cap-hopeful girls, and persons interested are invited to the tea.

Mrs. Mary Gilcrest, volunteer field representative, American National Red Cross, Pacific Area, and Mr. T. M. Honea, new chairman of Junior Red Cross for the Greater Mt. Diablo chapter, will speak.

To receive their caps are Nancy Bailes, Sandy Blake, Becky Bradford, Carol Brens, Sonja Danielson, Janet Effinger, Kathie Harber, Margaret Grate, Sheryl Hendricks, Gayle Holle, Ann Jacobus, Carolyn Jones, Cindy Murphy, Linda Peterson, Carol Sutherland, and Anne Whitaker.

Cancer Study Reports Sent To New York

Completion of Contra Costa County's share of the mammoth task of enrolling half a million American families in a six-year study of the relationship of human living habits to cancer was announced by Dr. Frederick A. Pellegrin, president of the American Cancer Society's Contra Costa branch.

He said that nearly 5000 questionaires have been filled out by more than 2000 local families, and that the sealed questionaires have been transmitted to New York for tabulation on complex electronic machines.

The questionaires were distributed only to families in which at least one member was over the age of 45.

All family members past the age of 30 were invited to fill them out.

The task of distributing and collecting the confidential questionaires was carried out by more than 300 volunteers, under the leadership of county chairman Mrs. John H. Selley of Walnut Creek.

Tabulation at county headquarters was the volunteer chore of Mrs. Floyd Foster of Walnut Creek.

Each year for the next six years the volunteers will check back on the health status of survey participants, and in alternate years they will distribute supplementary questionaires.

When the study—largest of its kind ever attempted — is completed, it is expected to shed much light on the relationship of environmental and other factors to cancer.

Realtors Install A. J. Johnson

Officers and directors of the Contra Costa, Concord, Martinez and East Contra Costa Real Estate Boards were installed Wednesday night at the Concord Elks Club.

The installing officer was Irwin H. Lowrey of Richmond, California Real Estate Association vice president.

Officers of the Contra Costa board taking office were:

President A. J. Johnson, Vice President Charles E. Bailey, Secretary-Treasurer Lewis Reark.

Directors Nan Stewart, Anton Eberle, Doug Knight, Marvin Ross, Carl Bryant, Robert Clough, William Glogovac, Ray Henry, Eugene Scofield, Jack Steger, Jack Wolverton, Ed Carey, Betty McGinley.

NEW OFFICERS of the Concord board are:

President Paul Burton, Vice President Conrad Wilkie, Secretary Margaret Caudel, Treasurer Joseph B. Hutcheson.

Directors are Walter Coble, Bob Tyler and Ray Taylor.

Clough was awarded the "Salesman of the Year" plaque from the Contra Costa Real Estate Board. The award was presented by Immediate Past President Bill Hayward.

Hayward also presented the President's Pin to Johnson.

THE CALIFORNIA Real Estate Association presented to Al Ingals the 1959 award for extraordinary service performed to the real estate interests of California. The award was presented to Ingals by Lowrey.

Hayward was presented an engraved watch by board members for his service during the past year as president.

Elephant Stomp Is February 6

The Contra Costa County Young Republicans will hold their annual dance, "The Elephant Stomp," at the Elk's Club in Walnut Creek on February 6 from 9 to 1, acording to Harry Stitt, president.

Newly nominated officers for 1960 will be introduced. They are Brant Nicholson of Orinda, president; James Goodhue of Concord, first vice president; Lloyd Fuller of Richmond, second vice president; Robert Livermore of San Ramon, third vice president.

Directors Robert MacArthur of Antioch, Mark Owens of Pleasant Hill, Dale Wright of Walnut Creek, and Hans Beetz of Lafayette.

Arch Leaders Rewarded for Hospital Aid

McCune Will Take Part In St. Mary's Symposium

An outstanding group of northern California educators were named today as academic participants to the third Saint Mary's Symposium for business and industrial executives, set for the Saint Mary's campus Wednesday and Thursday.

Participating in the symposium, according to Neil Petree, president of Barker Bros. Corporation and conference chairman, along with the more than 150 outstanding western executives, will be Dr. Alex Sherriffs, vice chancellor, University of California; Dr. Leo Cain, vice president, San Francisco State College; Charles A. Anderson, dean, school of business administration, Stanford University; Dr. George Hadley, professor of sociology and economics, Mills College; Drummond McCune, superintendent, Contra Costa Junior College district; and Ligure O'Donnell, instructor in economics, University of San Francisco.

Other educators from the Saint Mary's College faculty will include Brother Austin, F.S.C., head of the department of romance languages; Brother T. Brendan, F.S.C., assistant professor of physics and mathematics; Dr. Harry R. Buttimer Jr., professor in economics; Brother S. Edmund, F.S.C., associate professor of philosophy and world classics; Allan Garrett, associate professor business administration; Brother Louis, F.S.C., instructor in economics; Brother S. Lawrence, F.S.C., assistant professor in biology; Brother U. Jerome, F.S.C., professor of economics, chairman, school of economics and business administration; Harry Morrison Jr., instructor in political science; Russell A. Taussig, associate professor in accounting; John F. Waddell, instructor in physics and mathematics; Dr. John J. Wellmuth, Hagerty professor of philisophy.

'Wizard of Oz' Will Be Children's Fare Tomorrow

Hundreds of Central Contra Costa County children will be delighted with the second play of the East Bay Children's Theatre series tomorrow at 10:30 a.m. and 2 p.m. at Stanley School, Lafayette.

The Wizard of Oz is under the direction of Mrs. Florence Schwimley, who is the drama teacher at Berkeley High School. The cast is composed of members of her drama classes at the school.

THE SCENERY was designed by Marquis Patterson of Berkeley and is most imaginative and thrilling in design and color. One scene is all in green and blue and another is all in gold.

Mrs. Warren Johnson, a member of East Bay Children's Theatre, designed the costumes. All the costumes and sets were made by the members of the organization.

There are many imaginative characters to delight the hearts of the children. Dorothy and her dog Toto are swept away from a Kansas farm by a cyclone to the land of Oz. She and her dog have many adventures and meet many interesting characters.

The series this year at Stanley School is a sell out, but there are still tickets available for the performances at Piedmont High School on February 6. For further information write to 305 Hillside Avenue, Piedmont, or phone Olympic 5-4499.

Dinner Meet Scheduled By Valley Art Center

The lovely Lafayette home of Mr. and Mrs. Edmund Barnett will be the setting when art lovers of Contra Costa gather for cocktails and dinner on Friday, February 5.

The occasion will be the annual membership meeting of the Valley Art Center members who will elect officers and members of an enlarged new board to direct an ambitious program during the coming year.

THE SLATE OF nominations to be presented was drawn up by a nominating committee including Mrs. Edmund Barnett, Mrs. Arthur Wagstaff, Mrs. Harold Powell, Mrs. Peter Howard, Mrs. John Ellis and Mrs. John Martsolf.

Rentable originals will be on display for the evening, stimulating oils, watercolors and guaches from the center's own collection which are available for rent on a monthly basis.

Almost all contemporary styles will be represented in the showing, and all paintings hung will be the works of recognized Bay Area artists. Anyone interested in hanging one of these works in his own home should contact Mrs. Burton Brady, CL 4-3693.

All Valley Art Center members and their guests will be welcomed at the dinner meeting and art showing which will begin at 6:30 p.m. in the Barnett residence, 3343 St. Mary's Road.

Real Estate Viewpoint . . .

Some Views on Views... And 1960 Predictions...

By BILL HAYWARD

I MADE A PREDICTION . . . some months ago . . . about Hollywood movie people becoming interested in Contra Costa County. . . .

It's a known fact that Los Angeles and environs are engulfed in that lazy hazy smoky sometimes foggy atmosphere called smog . . . a word naturally made up of the 2 words . . . fog and smoke. . . . And I do not suppose that any place in the world is completely immune from this dread type of weather if there are enough automobiles and industrial plants burning up gasoline and other fuels with the unburned smoke and fumes being turned into the atmosphere uncontrolled.

We are quite lucky here in Contra Costa County yet we do also have a touch of the same haze or thin clouds at times when there is little or no wind to push same south to Hollywood. . . . San Francisco suffers from this same problem on occasion . . . in fact a purely clear day's view of the San Francisco Skyline and the Bridges is a real treat to see.

I can clearly remember when I was a punk kid climbing Grizzly Peak to the very top to chat with the Forest Ranger lookout. Grizzly Peak is the highest peak in the range of hills just east of the City of Berkeley. I was 9 or 10 years old, and this is almost 40 years ago, I might add. . . . But I shall never forget on my many hikes in and over the Berkeley hills as a youngster of how beautiful the sights across the Bay toward the bridgeless Golden Gate. . . . Tamalpais Mountain in Marin County, and of course the well defined twin peaks of San Francisco.

If you can soon catch a sparkling clear day, preferably a morning, make it a point to drive to the lookout point just below Grizzly Peak on the Berkeley Skyline, take your kids along and your camera to capture some of these wonderful California, northern California scenes. You will be inspired. I was. Even in the early 20's.

You native Californians will like this too. At any rate . . . and the news may be sort of stale by now . . . yet the old, old Groaner, Harry Lillis "BING" Crosby now owns a hunk of San Ramon Valley in the form of a 61 acre parcel of rich land. Who's next?

LOADS OF PEOPLE WILL MOVE TO CALIFORNIA . . . during 1960 . . . in fact by this time next year our population will be swelled by over a half million . . . including the California births that are estimated at about 235,000—1960 should be the most dynamic year in the history of the Golden State. Real Estate will account for a large share of the activity here in Contra Costa County.

Everyone in the building trades expect a high level of production and mortgage loan funds are plentiful for a price. 6.6 per cent as an interest rate is good with some construction loans demanding to 7 per cent.

F. H. A. loans still account for a good share of the mortgage market even though FHA "POINTS" are still part of the cost in making such a loan. 30 year FHA loans are available at about 5 points . . . or 5 per cent of whatever the loan total amounts to. . . . FHA interest rate is 5¾ per cent. . . .

G. I. LOANS . . . few and far between these days . . . the cost isn't exactly prohibitive yet it is high . . . 8 to 10 POINTS. . . . Today when you look for a new house or even just a newer or larger home . . . watch for a loan assumption first if at all possible . . . it will save you money in the long run . . .you may have to put up a little more cash . . . or make payments for a few years on a second mortgage.

However, even at this you will in most cases be far ahead to take over the existing financing. One thing to check when going through escrow and the processing of transferring the loan from the seller to you as a buyer . . . be sure that the interest rate does not jump up . . . many Notes and Deeds of Trust are so written to accelerate the interest in case of transfer of title. Your Realtor can help you with this little bit of information. 1960 should be a whopper.

DURING THE last month, Girl Scout troops throughout the area have said "thank you" to the United Crusade by lending a halping hand in breaking up the packets used by Crusade workers and reassembling the materials. Shown in the picture are members of Orinda Troop 43, whose leaders are Mrs. A. W. Spungin and Mrs. John P. Roffinella. From left to right are Susan Spungin, Sandi Roffinella, Sandy Clarke, Marjorie Parsons, Shawna Miller, Mrs. Roffinella, Rae Jo Jackson and Betsy Jones. —Sun photo by Bob Rush.

Dental Society Seats Officers, Honors Leaders

Citizens who have led in dental health education were honored and new officers were installed at the meeting of the Contra Costa Dental Society, January 19.

Honored were Mrs. Hazel Salmi, director of the Richmond Art Center, Lester E. Mullen, president and manager of the Western Title Company's Martinez office, and Richard W. Leland of Orinda, sixth grade teacher at the Grand School in Oakland.

Dr. Harold J. Kristal, of Richmond, is outgoing president.

New officers installed by Dr. Walter C. Cole of Richmond, included Dr. Ronald G. Light, Concord, president; Dr. Bill J. Harris, Walnut Creek, president-elect; Dr. Louis M. Ellis, Concord, secretary; Dr. David S. Tittle, Pleasant Hill, treasurer; Dr. Melville G. Harvey, Concord, editor and Dr. Zachary M. Stadt, Lafayette, public information director.

Dr. William S. Smith, Richmond and Dr. Bill Pridgen, Antioch have been elected to the board of directors of the California State Dental Association.

Elected to the House of Delegates of the California State Dental Association are Dr. James L. Bullard, Richmond; Dr. David N. Cook, Pittsburg; Dr. Charles A. Dodge, Martinez; Dr. Herbert R. Packard, Walnut Creek; Dr. Myron C. Peters, San Pablo; Dr. Donald E. Priewe, Walnut Creek; and Dr. Lee R. Winters, Concord.

Alternate delegates are Dr. Winston D. Bowman, Richmond; Dr. Robert A. Burley, Walnut Creek; Dr. Richard L. Fulgham, Concord; Dr. Vernon G. Graves, Walnut Creek; Dr. Kenneth G. Holcombe, Lafayette; Dr. Allen L. Lagier, Concord; and Dr. Robert L. Smith, Brentwood.

Hospital Has $230,000; Big Push Will Begin!

Over $230,000 has been pledged to John Muir Memorial Hospital's building fund, while only a small percentage of prospective donors have been contacted, said Mrs. Frank Malley of Lafayette, hospital board member directing the campaign as a volunteer.

"This is enough to establish the lobby, admitting office, recovery room, two operating rooms, a laboratory, X-ray room, nurses' station, and nine bedrooms to hold 22 beds.

"Volunteers eagerly filling these in on the floor plan 'see the hospital growing' before their eyes," Mrs. Malley said.

GIFTS OF STOCK received so far include Transamerica, International Business Machines, United Corporation, Consolidated Water Power and Paper, Emporium-Capwell, Weyerhauser Lumber, and Pacific Vegetable Oil Corporation.

Stock contributions frequently are financially advantageous to honors, Mrs. Malley continued.

One hundred per cent support has been given by employees of Crocker-Anglo Bank and Smith's Clothiers.

Other significant donors include the Soroptimist Club of Lafayette and Orinda, Walnut Creek Lions Club, Pleasant Hill Jaycees, Kiwi Club, Council of Churches of Contra Costa County, Walnut Creek area Presbyterian Churches, Alpha Lambda chapter of Omega Nu, Contra Costa Contractors' Association.

WALNUT CREEK Rotarians, Lucky, Louis and Safeway stores, Women's Auxiliary of the hospital, and the Contra Costa Real Estate Board, with its "Christmas present" of a $20,000 pledge.

Christmas donations in the names of those on business gift lists were made by several firms of the area. Increasingly popular are contributions as "living memorials" and for special date observance, volunteers find.

John Muir Memorial Hospital Association has some 800 members whose pledges range from one hundred to ten thousand dollars.

Chairmen of various campaign divisions now are readying an accelerated "push" to bring in the rest of the money needed to establish John Muir Memorial Hospital as a first-class, non-profit regional hospital, on sound financial basis for early expansion.

EXTENSIVE preliminary preparation of brochures, mailings, donor lists, pledge cards and publicity has been done, and active soliciting is about to begin in Alamo, Danville, and Orinda areas, Mrs. Malley said.

Canvassing already begun in business, industry, medical, dental, and voting membership divisions for Lafayette, Pleasant Hill, and Walnut Creek is continuing.

"Our campaign's greatest need now is help in making the personal contacts which will successfully wind up the drive," she declared.

For the third time, John Muir Memorial Hospital headquarters is moving . . . but this time in what amounts to only "half a move," with its location still essentially the same.

Office space occupied by hospital volunteers at nominal rent since December now has been leased by Walnut Creek Chamber of Commerce, and hospital headquarters is being established in an adjoining room.

Mott Speaks To 'Campfire'

The annual dinner of the Central Contra Costa County Council of Campfire was held Tuesday at the Nut Bowl.

William Penn Mott Jr., head of the Oakland Park and Recreation Department and board member of the Contra Costa County Recreation Department, spoke.

'Penny a Pound' Air Lift To Aid Annual Dimes Drive

A March of Dimes air lift will give visitors to Buchanan Field an opportunity to fly over central Contra Costa County for "a penny a pound" Sunday, starting at 10 a.m.

Warren Boggess, president of the Concord Chamber of Commerce and manager of Pacific States Aviation, is organizing the air life to benefit the 1960 March of Dimes.

According to Boggess, 10 airplanes will be flying from 10 a.m. on. He explained "a penny a pound" means that someone wishing to ride one of the planes will weigh in and for every pound the person weighs, he or she will pay a penny.

Buchanan Field is situated north of Pleasant Hill and visitors may enter the airfield by way of Contra Costa Highway at Pacheco or from Arnold Industrial Highway. Passengers will board planes at the Pacific States Aviation ramp.

UN Council Sees Movie

Danny Kay's film of UNICEF was featured at a meeting of the Mt. Diablo Council for the United Nations, last night at the Walnut Creek Women's Club.

This half-hour film in color and sound, takes the audience around the World to show what is actually done by one of the Agencies of the United Nations.

Random Criticism Attitude Hit by County Educator

Arrival of a new basis for communication with critics of the educational system to achieve a greater understanding by the general public was recommended by Dr. Francis Burke, county director of education, at a Mt. Diablo PTA council meeting.

Burke emphasized that as schools feel more and more the hostility of the public, there is a growing insecurity among children.

Although the critics of education are satisfied with an adjustment of organization in the system, for example, the addition of foreign language in the curriculum, or an expansion in the field of social studies, this "random attitude of criticism becomes punishing," he said.

We must, instead, develop children mentally and physically, with a balance of academic learning, as the kind of valuable citizen who will function best in a democratic society, he said.

The quality of education has improved, along with the economic changes of the past 20 years, but a moral education for our children is still needed, he said.

One report, the Remmers Study, recently cited the figures of 25 to 40 per cent of high school seniors who would abolish the Bill of Rights, he continued.

He added, "Children run out of psychological money, and we should guarantee that they have enough to spend in old age."

The educational level of the community is rising, and we must find some way of using community resources.

Parent groups with highly qualified individuals among them could contribute, through voluntary channels, a vast amount of knowledge and stimulation of knowledge to young people in school.

Due to class size, the personal interaction of teacher and child has been greatly dimished. These functions by members of the community could enhance the curriculum vastly.

Answering a recent publication which advocated a need for "more aroused parents," Dr. Burke maintained there would be fewer critics of education with better communication. "We don't need more aroused parents," he said.

Former Prima Donna Directing The 'Pirates'

When the Diablo Light Opera's production of "Pirates of Penzance" is held in Walnut Creek today and tomorrow, it will be under the direction of Jim Schwartz and Virginia Blair.

Virginia Blair was formerly prima donna with the San Carlo and Pacific Grand Opera companies singing such roles as Marguerite in "Faust," Nedda in "Pagliacci," Musetta in "Boheme" and Micaela in "Carmen."

She was also leading lady of two Gilbert and Sullivan companies, the first being the Savoy Opera Guild of New York City and, more recently, the Savoy Gilbert and Sullivan Company of San Francisco.

She has sung almost all of the Gilbert and Sullivan repertoire including Josephine in "Pinafore," Mabel in "Pirates of Penzance," Yum-Yum in "The Mikado," the title role of "Patience," Rose Maybud in "Rudigore," Phyllis in "Iolanthe," Elsie in "Yeomen of the Guard," and Gianetta in "Gondoliers."

For the past several years, Miss Blair has devoted most of her time and energies to teaching voice and directing the choir of St. Paul's Episcopal Church, Walnut Creek.

She has also assisted in the preparation of light opera productions at Acalanes, Pleasant Hill and Las Lomas High Schools.

"To bring my professional experience and theatrical 'know-how" to these young people is almost like having a second career," she said.

Thrilled Girls Get Their New 'Bobbie Pins'

The Bobolinks of the Mount Diablo Therapy Center were surprised January 16 by the arrival of their new pins.

Mrs. E. P. Wayne and Mrs. J. R. Smith, Tanager-advisors of the "Bobbies," arrived after the Saturday morning meeting with the long-awaited "Bobbie Pins."

The pins are blue and gold with the main parts diamond shaped with the inscription M.D.T.C., which stands for the Mount Diablo Therapy Center.

Attached to this by a chain guard is the letter "B" which stands for "Bobolinks."

Future money-making plans by the "Bobbies" are for a rummage sale and a formal dance on February 21 at Diablo Valley College. All proceeds will be donated to the Mount Diablo Therapy Center.

Audubons to Hear Speaker

A meeting of the Mt. Diablo Audubon Society will be held Thursday in room 201 of Las Lomas High School.

Mrs. Mildred Carlock, librarian, is in charge of the evening program. Fred W. Kenline is guest speaker.

Valley Art Center Offers New Schedule of Classes

The Valley Art Center is opening its program for the coming year with a new schedule of classes in ceramics and oil painting.

The noted Bay Area artist Lyle Lund will conduct a series of eight classes in the theory and technique of oil painting, to be held on Wednesday mornings from 9:30 a.m. to 12:30 p.m. beginning Wednesday. The classes will meet in Lund's charming Lafayette home, 781 Old Jonas Hill Road.

LUND IS AN art center member well known for his lectures as well as for his work in both sculpture and painting. He graduated from the University of California, studied under Hans Hoffman in New York and his work has been exhibited in the San Francisco Museum of Art.

The art center will again offer instruction in oil painting by San Francisco's Syd Fossum who has studied at Northern State Teachers College, S.D., Minneapolis School of Art, and in Mexico at the Universidad Michoacana, Morelia.

Fossum has won recognition in an extensive teaching record at such art centers as Washington University, Drake University, University of Colorado and Patri Art School, San Francisco.

A SERIES of eight classes under his instruction will be given at the Orchard Nursery on Thursdays from 10 a.m. to noon, beginning Thursday.

Fossum will also offer a course in the painting of oil portraits if sufficient interest is shown to warrant these classes.

Ceramics will be taught by Mrs. Eleanor Condon at her Walnut Creek studio, 110 Richard Lane. Mrs. Condon, who is well known for her instruction in wheel work ceramics, will offer both private lessons and group instruction beginning immediately.

Those interested in enrolling in any of the classes offered this year by the Valley Art Center should contact Mrs. Frankie Gilmore, 4 Highland Court in Orinda, CLifford 4-3897.

School Group Joined by Antioch Man

Charles R. P. Cash of Antioch, an official of Fibreboard Paper Products Corporation, is a new member of the 11-man Contra Costa County Committee on School District Organization.

Cash succeeds T. W. Leedham, also of Antioch. Leedham resigned because of a conflict in meeting dates of the county committee and the board of Antioch Unified School District, to which he was elected last spring.

The term to which Cash was appointed will expire in 1963.

A native of England and former resident of Canada, Cash joined Fibreboard in Antioch in 1948 and became manager of its San Joaquin division.

In 1957 he was assigned to the engineering department located in Lafayette, in charge of designing new pulp and paper mills.

The Cash home is at 1315 D Street, Antioch.

Other members of the school district organization committee, which has been engaged most recently in a study of proposed unification in the area of Acalanes Union High School District, are Francis Brady, Rodeo; Wilfred Carpenter, Brentwood; Bert J. Davi, Pittsburg; W. M. Leath, Concord; Frank E. Loher, El Cerrito; Phillip Millspaugh, El Cerrito; Mrs. Margaret Plummer, Martinez; Mrs. Margaret Price, Walnut Creek; Donald Shepherd, Pittsburg; and Dr. Jack V. Shahbazian, San Ramon Valley.

Waitresses Can Earn College Units

Proficiency at table waiting is now rewarded with college credit.

Management's demands for outstanding waitresses has led to the new one-credit course which will begin Tuesday at Diablo Valley College.

Jack Guest, health educator of the County Health Department, said, "Because of management's increasing demand for outstanding waitresses, a new type of training program has been developed in which merchandising, good grooming tips, public relations and methods of preparing soda fountain drinks and dishes are combined with proper sanitary practices."

Wednesday night the congregation will meet for prayer at 7:30 p.m. and Bible study in the Gospel of Matthew at 8 p.m. The study in Matthew this week will center around the Sermon on the Mount as it relates to the Christian life.

ON FRIDAY NIGHT the Reverend Lambert will be featured speaker at the Annual San Francisco Bay Area Christian Endeavor Rally in San Francisco and will address young people and adults from the combined Bay Area C. E. groups in the various local churcher of the Bay Area.

Reverend Lambert will bring keynote message to this combined group of Christian young people representing many different churches and denominational groups in the greater Bay Area.

On Saturday the church family will gather at the Lafayette Veteran's Building in Lafayette on Mt. Diablo Boulevard for a Day of Prayer. According to Reverend Lambert, such a Day of Prayer was a frequent practice among the early Hebraws and the founding fathers of the Christian Church and of the settlers of our own land.

THE DAY OF PRAYER services will begin at 9:30 a.m. and conclude at 3:30 p.m. The day will be divided into two sessions, a morning session from 9:30 to 11:30 a.m. and an afternoon session beginning at 1:30 p.m. and extending to 3:30 p.m.

Nursery facilities for small children and allied activities for older children will be available for those desiring them and the public is cordially invited to attend.

On Sunday morning Reverend Lambert will be speaking on the topic "A Faith That Works" at 11 a.m. and graded Sunday School classes for children and adults will be provided at the 10 a.m. hour. Youth activities this week include: Basketball practices on Wednesday and Saturday and a game Saturday evening.

Christian Science

How prayer enables man to cope effectively with the problems of daily living will be brought out Sunday at Christian Science services.

The Christian Science Churches in this area are located at 22 Orinda Highway, Orinda; 1347 Locust Street, Walnut Creek, and in Concord at the corner of Grand and Park Streets.

CHRISTIAN SCIENCE Society of Pleasant Hill holds its services at Kahrs Avenue and Boyd Road, Pleasant Hill.

Each section of the Lesson-Sermon on "Love" will deal with some aspect of prayer as taught by the master Christian, Christ Jesus. Selections to be read from the Bible include these verses from the Sermon on the Mount: "Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you: For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened" (Matthew 7: 7, 8).

Also emphasizing the power of prayer are citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, which include the following: "If we pray to God as a corporeal person, this will prevent us from relinquishing the human doubts and fears which attend such a belief, and so we cannot grasp the wonders wrought by infinite, incorporeal Love, to whom all things are possible" (13: 20-21).

Lutheran

This Sunday will be Thanksgiving Sunday at Shepherd of the Valley Lutheran Church. This service of thanksgiving follows the completion of a most successful funding campaign called "Our Venture in Faith," which reached an unprecedented total of $58,000.

This is $18,000 more than the minimum goal and $8000 more than the top goal that had been established.

AS A PART of the Thanksgiving Service, these pledges will be dedicated at the altar.

This money will be used to erect a church seating 300, which will be located on the five and one-half acre site, located at Moraga Way and Orchard Road, Orinda.

Pastor Hidy will preach on the subject, "The Saving Christ," this Sunday at both worship services.

SUNDAY SCHOOL classes will meet at 9:30 a.m. under the leadership of Charles Ivy.

Confirmation classes will meet on Tuesday evening, the junior class at 6 p.m. and the senior class at 7 p.m.

Choir practice for the adult choir will be Thursday evening at 7:30 p.m. with Larry Pinard directing.

Covenant

A cordial invitation is extended to residents of Lafayette to attend Sunday school at 9:45 a.m. each Sunday at Lafayette Covenant Church, 925 Moraga Road.

The morning worship service begins at 11 a.m. Pastor William C. Mays will bring the morning message on "What About Pentecost?"

THE JUNIOR High School young people will have their evening meeting at 6 p.m. under the direction of Dale and Betty Wight.

At 6 p.m. this coming Sunday a group of young people from the Rheem Avenue Baptist Church of Richmond will present a program for the senior high school group.

The ladies of the church will be meeting on Wednesday at 9:45 a.m. for coffee time and Bible study. Pastor Mays is the class leader.

PRAYER MEETING and Bible study is held on Wednesdays at 7:30 p.m. and followed by choir practice at 8:15 p.m.

Tonight the Men's Fellowship will have a potluck dinner meeting with artist Bill Leach as speaker and entertainer.

Tomorrow, the craft class directed by Mrs. Muller will meet at the church at 10 a.m. and Junior Choir directed by Mrs. Stetzer will practice at 11:30.

Episcopal

Services of Holy Communion at 8 a.m., morning prayer at 9:15 a.m., and morning prayer and Holy Baptism at 11 a.m. will be held on the fourth Sunday after Epiphany at St. Stephen's Episcopal Church, St. Stephen's Drive and Las Vegas Road, Orinda.

The Reverend C. Corwin Calavan, rector, will officiate at the services with the assistance of the Reverend William Pothier, associate pastor, and will deliver the sermon.

THE JUNIOR CHOIR will sing at 9:15 a.m. and the senior choir at 11 o'clock. The senior anthem during the offertory will be "Rejoice in the Lord Alway," by Uurcell. Both choirs are directed by Donald Loach, choirmaster and organist.

At the earlier service the junior choir will be given Faithful Service Awards. Ebony crosses on black cords, denoting 100 points, will be given to Andrew Cayting, Tina Colony, Pamela Ferguson, Robert McFarland, Andre Pothier and Marlyn Titmus.

Red ribbons on their crosses for 200 points will go to Janet Gilwee, Jimmie James, Katie MacDonald, Buzzy Ward and Susan Ward. Green ribbons (300 points) will be awarded to Carolyn Bignami and Jack Kessler.

OTHERS ARE: Purple ribbons (400 points) Barbara Bascom, Cindy Hamilton and Nancy Spear; white ribbons (500 points) Douglas DeCosta, Jorene DeCosta, Julia Henderson, Dorothy Spear and Susan Spencer.

Silver crosses on black cords for 600 points will go to Lorna McGaffey and Judy Swanson, and green ribbons on their silver crosses for 800 points will be given to Susan Smyth and Valerie Renwick.

Church school will meet for kindergarten through eighth grade during the 9:15 service and for three-year-olds through fifth grade at 11 o'clock. Nursery care for younger children will be available during both services at the David Wenrich home, 14 St. Stephen's Drive.

AT 7 P.M. the Young People's Fellowship will meet in Hill Memorial Hall, and at the same time in the church Father Calavan will give the first in a series of five lectures on "Using Our Religion in Daily Life."

The mid-week celebration of Holy Communion will be held on Wednesday at 10 a.m.

During all services on Sunday tickets will be available for the play, "The Devil and Daniel Webster," to be given at St. Stephen's by the Bishop's Company, February 16. Parishioners are reminded that they should return unwanted tickets promptly, as seating is limited.

DELEGATES chosen to represent the church at the annual convention of the Episcopal Church Women of the Diocese of California to be held at Grace Cathedral Thursday are the Mesdames J. P. Dunstan, Arthur Henry, M. G. Horgan, Denis O'Connor, Richmond Stampley, Carl Uhlhorn and Benjamin West.

Gordon's Garden Club to Meet at Orchard Nursery

Gordon's Garden Club will meet the first Thursday of every month at Orchard Nursery and Florist, off Acalanes Road in Lafayette. The meeting time will be 8 p.m. and the public is invited to attend.

A subject of interest to gardeners of the East Bay Area will be offered each month. The next meeting will be Thursday at 8 p.m.

THE SUBJECT will be "Rhododendrons and Camellias." Coffee will be served before and after the lecture and many door prizes will be given away.

Gordon aBker Lloyd, who conducts these meetings, is a leading California horticulturist. For 10 years, he has conducted the popular television show "Gordon's Garden" in Southern California. The show is televised directly from Mr. Lloyd's home garden in Sierra Madre, California.

He has also had a radio gardening show for almost 30 years. In addition, he finds time to conduct regular monthly garden talks throughout California. These talks attract a monthly attendance of well over 3000 persons.

Sale Celebrates First Anniversary Of Thrift Shoppe

Happy birthday to us. The Eager Beaver Thrift Shop at 3437 Mt. Diablo Boulevard in Lafayette will be winding up its January sales with a BIRTHDAY BONUS DIVIDEND for its customers this week. The little shoppe has been in operation for just one year and has found its place in the community.

Each customer will receive the choice of a sale hat, blouse or pair of shoes FOR FREE with the purchase of $1 worth of merchandise.

Parasol Parade Will Be Presented by A.A.U.W.

Diablo Country Club will be the setting for "Parasol Parade," a dessert - fashion show, presented by the Walnut Creek Branch, American Association of University Women, as a fund raising event for the benefit of the AAUW Fellowships Program on Tuesday, February 16 at 1:30 p.m.

AAUW Fellowships are financed by voluntary contributions from Association members and by fund raising events. They are not restricted by age or field and may be used for research or study abroad or in the United States.

Approximately 40 Fellowships are offered each year. Contributions also support the International Grants Program which annually brings about 30 women from other countries to the United States for professional study.

Mrs. Carlo Turco from Rome is studying at the University of California; Dr. Ingrid Roth of Germany and Miss Farrukh Ahmad from Pakistan are studying at Stanford University.

Japanese atmosphere and decorations will be arranged by Norman Thomas of the Japan Airlines. Commentator will be Malcolm Walt, owner of a specialty shop in Walnut Creek.

Latest Spring Fashions will be presented by these models from the Walnut Creek Branch: Mesdames C. M. Allen, Richard Burger, R. G. Doolin, John Fuller, A. Keyes George, J. H. Gillan, William McDermott Jr., Richard Post, Leon Rahn, John Skillman, Charles Williams and Miss Lucy Hall.

Guest models from neighboring Branches are: Mfs. Warren Boggess, Concord; Mrs. Ivan MacDonald, Orinda; Mrs. Fred Voelker, Pleasant Hill.

Mrs. Robert Hughey is general chairman. Mrs. Carlo Herrala and Mrs. Albert Holliday are in charge of ticket sales.

Famed Violinist Plans Concert At St. Mary's

The Saint Mary's College committee on lectures, art and music has announced that Joseph Szigeti, world - renowned violinist, will be presented in a series of two recitals in the college chapel on February 16 and 18.

Szigeti mill perform all of the unaccompanied sonatas of Bach —the program that has inspired unprecedented critical acclaim here and abroad.

Indisputably one of the greatest violinists of our time, Szigeti has played with almost every major symphony on five continents. His concerts and recordings have made his name familiar in households everywhere.

The recitals at Saint Mary's will mark the only opportunity Bay Area residents will have to hear the revered artist this season. They are offered to the public as a community service by the committee on lectures, art, and music.

Knights of Columbus Will Receive Blessing

Lafayette Council 4060, Knights of Columbus, will receive Holy Communion in a body at the 7:30 a.m. Mass, Saint Mary's Church, Walnut Creek, on Sunday, it was announced today by Matt Simmons, religious activities chairman.

Breakfast at the Monument Bowl, Pleasant Hill, will immediately follow the Mass, according to grand knight Ross McKenna.

William Brown Chosen For Engineering Honor

William Edward Brown, senior at Miramonte High School, was chosen in competition with other Contra Costa County High School seniors by the Mt. Diablo Chapter of the California Society of Professional Engineers to represent the unit in the California and Western States Competition for a civil engineering scholarship, sponsored by the Armco Company.

Brown's selection was based on citizenship, leadership, self-reliance, and self sufficiency. His active program, high scholastic record and unselfish devotion to others were vital in his selection.

The scholarships are presented in five sections of the United States by the Armco Company through screening process of the local chapters of the Engineering Society. All members of this Society are registered professional engineers.

Brown will be in contention for for the state and western states competition.

The scholarship is worth $750 per year of schooling.

He is the son of Mr. and Mrs. Kenneth Brown, 11 Meadow Court.

Church Council Speaks Against Anti-Semitism

The Council of Churches of Central Contra Costa County has announced it stands behind statements by national church leaders disapproving of recent anti-semitism acts in the United States and Europe and calling for effort to "stamp it out."

Rev. James Higgins, chairman of the Council's department of social education and action, said,

"We have all been made aware of the outbreaks of anti-semitism in this country and other countries of the world in recent weeks. Questioning that these outbreaks are "merely isolated acts", church leaders in our country have declared:

"We pledge our support and friendship to the Jewish communities of the world and we pray that all Christians everywhere in America will join in this pledge and act upon it.

"This statement was issued by 21 church leaders in all, among them heads of denominations, and interchurch agencies within protestantism and prominent pastors and evangelists.

"The full text of the statement follows:

"As every man of good will must be abhor the outbreak of anti-Semitism which began in Europe a few days ago and has now spread to the United States. We question whether the attacks upon our Jewish brethren are simply isolated acts of vandalism by juvenile delinquents and other irresponsible persons.

"It appears to us that there is a pattern apparent that shows a central organizing force of the same vicious type that existed in Nazi Germany.

"We want to express our deep regret that such acts can occur either here or abroad, and to offer our sympathy to the Jews of the world and our solidarity with them in combating this evil.

"We believe it is incumbent upon all men of good will to express their disapproval of this lawlessness and to call upon police agencies and the community at large vigor to stamp it out."

Garden Club Hears Talk on Camellias

The Hilltop Garden Club of Orinda held its regular monthly meeting last week at the home of Mrs. Gordon Markley, 1 Las Vegas Road.

The program started with a short business meeting. This was followed by a talk on "Camellias" by Jack Richards of the Orchard Nursery.

Richards covered every phase of camellia growing, from planting through fertilizing, pruning and descriptions of the various species.

Driftwood and dry arrangements were displayed by Mrs. Charles Ward and Mrs. Bert Cole, members of the club.

Coffee hour followed the meeting.

Tunnicliff to Speak At Technical Meet

Shell Development Company research chemist D. D. Tunnicliff, 147 Las Vegas Road will present a technical paper to the Pittsburgh Conference on Analytical Chemistry and Applied Spectroscopy which will meet in Pittsburgh, Pennsylvania, February 29 - March 3.

His paper, co-authored by J. H. Bradley of Berkeley, is titled "An Adiabatic Calorimeter for Small Samples" and describes a simple semi-automatic instrument for ties of half-gram samples of some liquids and solids over a temperature range from 130 degrees below zero to 200 degrees measuring the thermal properabove zero centigrade.

Applied Physics Corporation, Monrovia, California, builds the instrument under a Shell license.

We're a Little Awed, But We're Thankful, Too...

Hold on to your hats, men, the women are taking over!

Or (let's face it) they already have.

But did you ever stop to think where we, who live in Central Contra Costa County, would be without them?

We're not talking about fixing our own meals, or putting that new button on a coat. Naturally, when it comes to the little chores around the home, our women are indispensable.

But our women don't necessarily stay at home.

For example, tomorrow several hundred of them will converge on our area when the Mt. Diablo District, Federation of Junior Women's Clubs, acts as host for a statewide conference of Juniors.

SO, MEN, if you don't get all of the work out of your wife this weekend that you're accustomed to getting, now you know why. And gals, if you want to see the latest in styles, just drop around to this shindig . . . A more stylish group than the Juniors would be hard to find.

But seriously, this activity by a group of local women is typical of the hundreds of hours of serious efforts put forth by all our women — PTA's, mother's clubs and of course, all our auxiliary units.

If you stop and think about it, this really means that the women are turning the wheels of our community!

And, believe it or not, they do get some recognition for their efforts. For example, in two out of our four communities the "Men" of the year are women this year.

THERE USED TO BE a saying that a woman's place is in the home. That may be. But OUR women manage to keep their homes in apple-pie order, their children well dressed and well behaved, their husbands happy, and STILL get out and run the show.

So all we can say is Hats Off to you, gals, and keep up the good work!

It's a Difficult Task...

Our school trustees deserve a pat on the back. Theirs is often a thankless task, with little reward attached and countless headaches.

And the usual problems of running a rapidly expanding school district have been complicated by the problems of possible unification.

Unification of the Acalanes High School District — under any of the proposed plans — is a complicated task. Thousands of hours of labor have gone into the preparation of reports on the subject, and there are many hundreds of hours ahead before a decison is reached.

There is, now, a breathing spell in sight as the local school boards get together to propose a future plan. This is a good time to take a look at where we've been, and where we are going to go.

THE STATE REQUIRES that a plan for the unification of school districts within each county be submitted by 1963. The state does not require unification itself, but merely a plan. There has been some feeling that requirements on the state level will never be pressed, and that the counties can just about do as they please.

But no one is sure, so the wheels continue turning. A county committee has been appointed to make a study of each of our non-unified school districts and to compile a report covering the whole county that can be forwarded to the state.

But with rare good sense, the county has elected to form this committee from representatives from the county at large, plus representatives of each of the school districts involved. This is known as the "augmented" committee and does the actual voting.

This committee is not planning to meet again — as far as the Acalanes district is concerned — for eight months or a year.

BUT IN THE MEANTIME a subcommittee will be formed, composed of one member from each of our school boards, to work out a plan for the Acalanes High School District. This subcommittee is prepared to call on outside professional help, and to pony up the funds, if necessary, from local school district coffers.

This is certainly a sensible approach to a difficult and confusing matter. The trustees are to be congratulated for working together towards a solution, and for showing a willingness to call in the experts and back their efforts with money.

There is a possibility that the state will bear all or part of the cost of this study, through an apportionment to the county, but the subcommittee has indicated that it is ready to go ahead and raise the money locally if necessary — and it will probably be necessary.

THERE ARE MANY facets of unification which must be studied and which must be clarified. There is still the problem of vertical versus horizontal unification.

These two confusing terms describe two possible methods of establishing unified school districts within the Acalanes boundaries.

Under horizontal unification, all the elementary school districts located within the boundaries of the present Acalanes High School District would be lumped into one large district, combined with the present high school district, and all would be run under one board, just as is the Mt. Diablo Unified District.

Under vertical unification, the present Acalanes district would be chopped up into two or three districts, each having its own high school or schools, plus the present grade-school system.

For example, under one plan, Walnut Creek and Sun Valley would comprise one school district; Lafayette and North-East Moraga would be another, and Orinda, Canyon and the remainder of Moraga would comprise the third.

THUS THE PRESENT Walnut Creek School District would pick up Las Lomas High School, Del Valle High School, and its present elementary schools to become one unified district; Lafayette would keep Acalanes High School, acquire the as-yet-unbuilt Rheem High School and Orinda would keep Miramonte and acquire possible additional sites in the sections of Moraga which fall within the realigned boundaries.

But much difficulty has been caused by the possible re-drawing of the boundary lines. Orindans maintain that there are no more high school sites in the area. Moraga does not want to be split in two. Lafayette does not want to acquire any more territory than would be included in the above plan.

SO THERE IS MUCH for the local sub-committee to work out. We urge this group, as it tries to find a solution acceptable to all, that it keep in mind the ultimate goals of the study.

That is, that the decision must result in whatever is best for the students, and for the community.

It should also be pointed out to the outside group that will prepare recommendations that not all the reports which have already been compiled have given equal weight to all the problems. Because of the nature of the task, and because the people who compiled the reports are human, and thus to some extent biased, some of the reports have been pro-vertical, or pro-horizontal unification.

The Other Channel, Quick!!

By LARRY GLAZIER

How do you explain to a child not quite three years old that his cartoon television program has been removed from the schedule for one day—the victim of a once-in-a-lifetime "grown up" special broadcast?

Surely, to boys and girls of the tender pre-school ages, there couldn't possibly be ANY program nearly as important as a full half-hour of cartoons.

This is especially true on Sundays, when, with the exception of a too-brief two-hour program in the morning, the only true cartoon show to be seen falls at 5 p.m. on Channel 7.

SUNDAY MIGHT EVEN be tabbed a day of gloom insofar as those tots who are connoisseurs of the young peoples' television programming are concerned.

There is no Captain Kangaroo, Romper Room School takes a weekend holiday, Captain Satellite's luncheon broadcast is discontinued for the Sabbath and Mayor Art and Popeye are superseded by such erudite shows as Small World, College Bowl and Twentieth Century.

The extreme situation finally hit our household last Sunday when Alan, the nearly three-year-old screen-follower, was deprived of his 5 p.m. program—and the roof very nearly caved in.

My son, I admit, possesses the disadvantage of failing to realize that television performers also require that lovely 24-hour span of bliss—the day off.

FAILING TO SEE his usual morning programs each Sunday, then, Alan looks forward with eager anticipation to that time of twilight, just before dinner, when the Channel 7 "Funday Cartoons" are shown.

But this Sunday was different!

It was the final day of the Crosby Golf Tournament, and Channel 7 was fortunate enough to have received the television rights. This does not make my heart sad, for I, too, am a fairly erratic duffer on the links.

What made the situation as tense as it was was the fact that the tournament telecast ran over its 90-minute limit and some additional program juggling was made necessary.

THE SHOWING of the bridge program from 5 to 5:30 p.m. delighted my wife, for she could be entertained while tending to our six-week-old, who, fortunately, is still too young for the 21-inch screen.

When the cartoons failed to come on at 5:30 p.m., and instead there was the Lone Ranger (just a little too old for Alan) and the television schedule indicated the channel's programming was back to normal, our home was filled with the resounding screech of an antagonized young man.

It wasn't bad enough that I felt miserable over not having checked the schedule earlier so as to forewarn Alan, but he also accused me of disloyalty to his cause by persisting, "Turn the other channel, turn the other channel—quick!"

By MARIE MONAHAN

IT IS the rainy season. It is also the Time of the Yo-yo.

The two at the same time are not very compatible.

It is dangerous with so many yo-yi flying around here.

Yo-yi is plural for yo-yo, according to comedian Shelley Berman who coined the word. We think it is a very funny word & we will use it. To be funny, of course.

We ALMOST have a black eye & that is NOT funny. We will be lucky if we survive this season of the Yo-yi without a more serious affliction.

These are the days the youngsters have the world on a string.

THE SCHOOL authorities do not like the children to bring their yo-yi to school. "Do your practicing at home, children." "Do not bring your yo-yi to school until contest time."

Ah, how clever are the school authorities! (In other words, let the parents learn to duck at the right time. Especially when the string breaks & Owwww, there goes the TV screen, not to mention a sudden disbursal of dishes from the kitchen table).

IT IS ALWAYS the rainy season when the Yo-yi season is upon us. Maybe the mothers could unite & write the Yo-yo people & have them push for a more opportune season.

Meanwhile — inside the house the children are in perpetual motion & we are in perpetual EMOTion. Up, down, out, in. "Look, Ma," "Watch, Mother," "Oh, I DID it, I DID it, I Rocked the Baby, Mom."

They NEVER stop!

In the living room, in the kitchen, while on the phone, even while setting the table.

They practice untiringly. Tricks like Walk the Doggie, Loop the loop, Over the Falls, 3-leaf-clover & Breakaway.

Every year new tricks are suggested by the people who make yo-yi. These are probably the annual mental brainstorm of a $25,000 executive who spends his time in a spacious soundproof padded suite.

A NEW ONE this year is called "Telephone." But it has nothing to do with the telephone. You do it like the Sleeper, but when the yo-yo is down sleeping, you roll it on a metal object to make a whirring noise.

In our house, it works just perfect with the sterling silver celery dish. You cannot get the same sound effect from the dog's dish or an old pie tin.

The youngsters have used up all their allowance on yo-yi. They average a broken one every few days, not to mention the strings which are better from the store than homemade from the wrapping string in the kitchen drawer.

Well, I am ready & willing to advance their allowances. On one condition.

There's just **ONE** string attached.

IF they'll teach **ME** how to Walk The Doggie & Rock The Baby, well, I might just string along with 'em — all the way to the dimestore.

GIRL SCOUTS
Dear Editor:

We want you to know how much we appreciated the Sun's very large contribution to our Publicity Workshop for Scribes of Troops.

Haven't counted every name as yet but we believe that about 220 girls attended between the three area meetings. I feel confident that these girls now realize that their particular job in the Troop, can be most important!

It was most flattering to the Girl Scout organization that so many busy men (and I know a particularly bad day for you!) would agree to take the time to address these area meetings.

Dr. Michael A. Vallon of the San Ramon Congregational Church was most gracious in allowing Walnut Creek publicity chairman, Mrs. Carlton Bayley, the use of the lovely chapel, and closed the meeting with a prayer. Donald Romer, personnel relations director of General Electric; Jonathan Plumb, public relations director for EBMUD; and Hal Cheney, public relations for United Crusade, were among the guest speakers.

Newspaper coverage included: Lou Cannon, Editor of Contra Costa Times; Semmes Gordon of Valley Pioneer; Les Sipes, Oakland Tribune; Norman Colby of the Walnut Creek Sun — all at the San Ramon meeting. With Larry Glazier speaking at Orinda and Dick Osborn at the Lafayette meeting.

Again our thanks to the Sun for making us realize (through YOUR Publicity Workshop) the necessity for Troop Scribes to be made familiar with the timing, presentation and deadlines —for newspaper publicity.

Thanks again and a large orchid lei to THE SUN for "Community Service."

MRS. WILLIAM J. MARSHALL
Public Relations Chairman

THANKS
Dear Editor:

The Christmas and New Year holidays are now behind us and fortunately we experienced a marked improvement in our holiday highway death record when comparing it with the same periods of the previous year.

We sincerely appreciate the wholehearted cooperation you have given this department, not only during the holidays but during the entire year, in our efforts to keep the motoring public thoroughly informed as well as impressed with the importance of safe and lawful driving.

There is no question that your efforts contributed materially in the saving of lives on our highways, for which we are indeed grateful.

BALDWIN

May I express my deep appreciation to you for the very fine coverage which The Sun newspapers have consistently given during the past year to my news releases.

You render a very effective service through the medium of your newspaper.

May I take this opportunity to send you warmest best wishes for a very successful and enjoyable New Year.

JUVENILE HALL
Dear Editor:

Please accept our sincere thanks for your generous contribution to the children we serve. The Juvenile Hall Auxiliary welcomes you as a member and hopes that your interest will be a continuing one.

Your contribution of $505 will be deposited to our payroll fund.

FLORENCE PETERSEN

(Editor's note: This check for $505 brings the total donated by The Sun as a result of a recent subscription to over $1000).

THANKS
Dear Editor:

We hope it is not now too late to thank your paper for its cooperation in publisizing the Central Contra Costa Mental Health Association's fourth annual Christmas project.

The response was excellent: Thirty individual calls or communications; 23 community groups; and three merchants.

These helped to provide Christmas cheer at J-Ward, County Hospital, Martinez, and Napa State Hospital. We delivered several carloads of gift-wrapper presents, baked goods, cosmetics, costume jewelry, party favors, etc.

Cash donations received have been used for magazine subscriptions.

Youngest participants were Walnut Creek Brownie Troop No. 360 and youngest in spirit an Orinda home volunteer who made 1000 Christmas labels, baked 77 dozen cookies, filled 130 candy favors and gift-wrapped numerous individual presents.

We hope for similar and increased participation in 1960—World Mental Health Year.

MRS. HANS WENDEL

UNIFICATION
Dear Editor:

It is apparent, from the space devoted to the question of unification, that The Sun considers this a matter of primary importance. It has ostensibly taken upon itself the task of fully informing the citizenry of the issues involved.

In fact, however, The Sun has made no effort to give a fair presentation. In a controversial issue of this kind a newspaper should offer in its news section an unbiased and complete account of both sides of the question. The opinion of its editor, however strong, should be confined to the editorial page. In no other way can there be more than a pretense of giving the public the facts.

In your issue of January 15 you presented a full account of the letters to the County District Reorganization Committee written by Mr. Lee and Mr. Freeman in favor of horizontal unification.

Also on the front page were a couple of references to the letter to the County Committee written by Mrs. Brattain and Mr. Scarborough that set forth the views of the proponents of vertical unification.

But you neither printed nor summarized this letter: the extent of your coverage was to report that one School Board member was against it because it did not reflect his views.

This was palpably unfair: you printed every argument advanced for horizontal unification without a mention of the strong case that can be made for the other side. The letters should have been printed together—or, if space did not permit this, they should at least have appeared in the same issue.

Mrs. Brattain's and Mr. Scarborough's letter was not printed until the following week, and then it was buried in the third section. You made no reference to it on the front page which held the rest of the news about unification.

It was also extremely unfair to suggest that the school boards of the elementary districts are in favor of vertical unification for selfish reasons. The same charge could be made against the position of the high school board.

In neither case is it true: all the Boards are acting in sincerity for what they believe is the best solution of a vexing problem.

The full coverage of an issue of wide importance to the citizens is a worthy aim. It is difficult to believe that The Sun was striving for this. It is the duty of a newspaper that has faith in the citizenry to present in its news section a fair statement of the pros and cons of the particular issues it handles.

Even if The Sun were an expert in the field of education it would be presumptuous for it to attempt to guide its readers by slanted and prejudiced presentation of the news.

Now Is the Time for All Good Men to Brush Teeth

By HERMAN SILVERMAN

Do you know how to brush your teeth?

Silly question, eh? You and I have been cleaning our teeth for years, but do we really know how?

Are you using the correct tooth brush? Do your children brush their teeth properly?

Well, I thought I knew the answers to these questions until I read some material sent by the Contra Costa Dental Society. Early in February is National Children's Dental Health Week, so the Society furnished some interesting data.

Personally, I would have appreciated a gift certificate for a year's service by an orthodontist for my kids, but second best was some data on your teeth.

Scrub, scrub, scrub your teeth

Today let's discuss "Toothbrushes are important." In the weeks to come, we'll print other pertinent material, such as "First visit to the dentist," "Diet and dental health" (how much sweets should your kids eat), "Teeth and Personality." Here goes:

If today you were confronted with what passed for the first toothbrush, chances are you wouldn't recognize it . . . because it consisted of a bunch of twigs bound together.

Nevertheless, the basic purpose of the old and new models is the same—to clean the teeth. As more knowledge about teeth and their care has accumulated, modern man has extended the purpose of the toothbrush to include help in keeping the gums healthy.

No. 1 weapon . . .

When used properly, the toothbrush functions to interrupt conditions in the mouth that could lead to dental decay. It still is considered the most effective home weapon yet devised for cleaning teeth and combating decay.

Children should be introduced to the ways of toothbrushing as early as possible. Parents probably will have to do most of the brushing at first. One suggested way of training is to let the child brush first and then have an adult go over the teeth.

Proper timing is an essential element in use of the toothbrush. The teeth should be brushed immediately after meals and after snacks.

Parents should impress on their children that the secret of proper brushing lies in application of friction and pressure. This allows the bristles to concentrate on areas between the teeth.

All right, here's how

One technique of proper brushing consists of placing the bristles at right angles along the line where gum tissue meets the teeth. Pressure then is applied gently but firmly, so that bristle ends bend and slide off, penetrating into the space between. The upper teeth are brushed downward and the lower teeth upward.

Children should be taught not to keep their brushes in closed containers. They should be kept in the open and allowed to dry, thus giving the bristles a chance to regain their original stiffness.

The best toothbrush is one with a long handle and firm bristles. The working head should be flat and long enough to cover several teeth at a time, yet small enough to be effective in a crowded arch, especially on the tongue side of the lower teeth.

The toothbrush obviously has undergone considerable refinement since the days it was nothing more than a bunch of twigs. But no amount of refinement is too good for the toothbrush, considering its paramount importance in the maintenance of healthy teeth.

Report from the Waldies

Speaking of teeth, I had pleasant conversation with Assemblyman and Mrs. Waldie at a recent Man-of-the-Year Dinner. Jerry and Jo moved a few years ago to Antioch, which fluoridates its water. Jo said her kids do not—repeat, **DO NOT**—have cavities. And since moving there, she has had very little dental trouble herself.

Assemblyman Waldie is 100 per cent behind fluoridation of our water supply.

And so is the Contra Costa Dental Society, which sent me this statement:

"One of the principal achievements of dental research—discovery of the benefits derived from adding fluorine to community water supplies—is helping to prevent decay in the teeth of thousands of American children."

Big name roll call

As you know, the American Dental Association, American Medical Association, U.S. Public Health Service, American Public Health Association and nearly every other national, state and county health organization have all heartily endorsed fluoridation of water.

You will vote next June on fluoridating the water of East Bay Municipal Utility District, if you live in the district.

This will be a tough, bitter battle. An organization for Alameda and Contra Costa Counties is now being molded. I sincerely hope that dentists and dental societies will actively participate with money and with work. They have endorsed fluoridation long ago; but that is not enough.

The Junior Chambers of Commerce long ago also endorsed and worked for fluoridation. Now—the chips are down. Mr. Dentist, Mr. Jay Cee, Mr. and Mrs. Resident—your help is needed.

Dentists, watch out!

For several years now I have been tempted to needle the dentists and orthodontis on the fees (high fees) they charge.

Then, last year the Contra Costa Society named me Dental Man of the Year "for outstanding service in dental health education." So—you see, I can't be so mean as to now say I think that some of their fees are not only high—but slightly outrageous.

What do you think?

Relation of County Agencies To CD Talked

The first meeting in 1960 of the Contra Costa County Civil Defense Council was held Monday.

Plans for future civil defense activities and the integration of all county agencies into their disaster responsibilities were discussed.

The council is composed of the board of supervisors, the county administrator, the CD director, chiefs of the 21 CD services, and representatives of such supporting agencies as Red Cross and schools.

"It is the aim of civil defense," said Will Perry, county CD chief, "that each and every government employee, from top level to the lowest echelon, will have a civil defense assignment and be integrated into the planning in advance for disaster, whether natural or man-made."

Each service chief is writing his own operations plan for functioning in disaster, incorporating the members of his own staff into his plans so that in the event of an emergency he can quickly convent his day-to-day operations into disaster operations.

Perry also said that civil defense is government in emergency.

Acalanes Board Reviews Curriculum Offerings

Acalanes High School District trustees this week reviewed curriculum offerings in district schools with particular regard to district and state requirements for graduation, general offerings for non-academic majors and physical education requirements.

Discussion on curriculum to keep trustees posted on district instruction policies included Superintendent Neil M. Parsons, assistant superintendent for education Dr. Max Appleby, district curriculum coordinator Miss Lily Lahti, and Acalanes High School principal Stanley Walgren.

TRUSTEES appointed Gordon Gibson principal of the new summer school program being initiated by the Acalanes District this year running from June 20 through July 29.

Gibson, who is also principal of the Acalanes District adult education program, will work with assistant superintendent Appleby in setting up the summer session.

Trustees moved their next scheduled meeting date from February 8 to February 9. At that time, they expect to adopt an adjusted attendance boundary for 1960-61 for Del Valle High. Board members have previously invited submission to district officials of any alternate parent plans on the attendance proposal prior to their February meeting.

A TENTATIVE calendar for the 1960-61 school years was also adopted pending approval of a similar calendar by other school boards in the Acalanes District area. The calendar for 1960-61 is basically the same as the current one.

In other action trustees:

1. Voiced disapproval of rezoning property adjacent to Pleasant Hill and Stanley Boulevard opposite the Acalanes High School as commercial. Trustees stated their opposition on the grounds that rezoning commercial would increase the traffic hazards for students as well as complicate student control and discipline problems.

2. Approved a leave of absence for Mrs. Pat Metzger, Las Lomas English-drama instructor, for a year's leave to teach in Turkey under the Fullbright program; approved a change order for fencing around the Miramonte High pool; sanctioned an interdistrict attendance agreement for adult school pupils with the Alhambra High School District; called for bids for steel work on lights on the Acalanes field in connection with the installation of new bleachers. The work will meet specifications directed by the state department of architecture.

Cocker Spaniel Owners Triumph

Several area members of the East Bay Cocker Spaniel Club entered dogs at the Golden Gate Kennel Club Show in San Francisco, January 16-17.

In the Parti Colored Cocker classes, Jonlyn's Top Banana was Reserve Winners dog. 'Topper' belongs to Mr. and Mrs. John Shepard of Pleasant Hill.

Mr. and Mrs. Homer Wilson of Lafayette received reserve winners bitch distinction. Their entry was Nor-Mar's Nettie of Meretty.

In the Black classes, Double Star Jupiter was Reserve Winners Dog. Mr. and Mrs. Robert E. Lee of Lafayette are the owners of Jupiter.

In the ASCOB classes, Cherokee Doll was winners bitch and best opposite to best of variety. Cherokee "owns" Mr. and Mrs. William L. Rice of Pleasant Hill.

The East Bay Cocker Club is for breeding, showing and training of Cocker Spaniels. Mrs. William L. Rice is president of the club.

Early Selection Makes for Class In Bareroot Roses

These are the items on the gardener's checklist this week:

Bareroot roses are still high on the planting list. The earlier you make your selections, the more new varieties you'll find in stock.

Deciduous fruit trees are best planted now. Where space is limited, plant dwarfs or try a three-in-one-hole planting.

Fuchsias can be pruned when frost danger has passed. Roses, too, if they haven't been already.

Plant annuals and perennials for spring and summer bloom.

Practice snail and slug control the easy way by using one of several snail control products. Your C.A.N. nurseryman has them.

Your Garden

Some Notes About Many Varied Camellia Uses

Some gardeners we know wouldn't believe it if they saw it, but you can grow a camellia ground cover. Doubt it? Then drop in and ask a member of the California Association of Nurserymen. He'll tell you about the willowy Sasanqua varieties that need only a stake here or a wire there to encourage horizontal growth.

This is only one of many clues to getting the most from camellias, and if you are one who still considers the camellia as a shrub of limited use, you're behind the times.

THE CAMELLIA in today's garden can be used, as mentioned above, in ground covers, in low-to-medium hedges, in foundation planting, as an espalier against walls and fences, or in tubs for terrace and patio. Its glossy foliage is evergreen and ever attractive whether the shrubs are in bloom or not.

As with ground covers, the loose-joined Sasanqua camellias are likewise popular for espaliers. Speaking of Sasanqua varieties, be sure to see Sparkling Burgundy, 1960 All-America winner.

A good many of our conventional Japonica types, however, can also be encouraged for use against a wall. A list of these would include such familiar names as Chandleri Elegans, Adolphe Audusson, Mathotiana (Julia Drayton), and Donckelari. Their growth is open and adjusts easily to shaping.

IF YOU WOULD plant a camellia hedge, ask your nurseryman about vigorous varieties that grow fast and full. And while we're on the subject, can you imagine anything nicer than a camellia in bloom. Single-variety hedges are most effective since they bloom uniformly.

Whatever use you put your camellias to, bear in mind that certain cultural practices are to be considered. They thrive only when moisture is always at their feet (and preferably on their leaves, often). They like perfect drainage, however, never soggy conditions. Their tolerance of sun varies by climate, but light or filtered shade is best.

Outside these simple considerations, there is no plant easier or nicer to grow in California. And few more versatile.

Weavers' New Officers Plan '60 Program

The Diablo Weavers met yesterday at the home of Blanche Klause, 416 Randall Street, Concord.

Officers for 1960 were installed at the Diablo Weavers annual Christmas party in December.

It was held at the home of Helen Bayley, 721 Calmar Vista Road, Danville.

New officers are Helen Work of Richmond, president, Alida Daniels of Alamo, vice-president, Blanche Klause of Concord, secretary, Dorothy Vassalo, treasurer, and Helen Bayley, librarian, both of Danville.

Fordyce Rusk of Alamo is program chairman.

Pleasant Hill Rams Cop Bay Area Tourney

'Gallimen' Walk Off With Four Championships

The Pleasant Hill Rams came off with top honors in the Bay Area Invitational Wrestling Tournament held at Hayward High School Saturday.

Coach George Galli's mat crew walked off with four individual championships, a pair of seconds and a third to take the title with a grand total of 92 points.

Other local schools placing were Acalanes with 35 points as they tied for sixth while Mt. Diablo High was 12th with 14 and Pacifica High of Pittsburg wound up 13th with 12 points.

Title winners for the Rams were Mike Simpson (97 pounds), Lennis Cowell (114 pounds), Dave Moore (122 pounds) and George Bruns (177 pounds).

Jim Hinds took second in the 156 pound division while Roger Foulk did likewise in the 193 pound class.

Doug Euranius rounded out the point getting with a third in the 135 pound division.

Acalanes points came when Jim Booth placed fourth at 105, Jerry McPherson copped third at 140 as did Denny Toll in the heavyweight division.

Jim Holden took the top award at 167 to pace the Don point getters. The tournament pitted 16 of the top schools in the Bay area against one another and it was a real feather in the Rams' bonnet to walk off with top honors in top flight competition.

The win marks them as favorites to take the DVAL title in the meet to be held at Acalanes February 13 as well as in the Contra Costa division February 6.

In fact, Coach Galli has his sights set for the North Coast Section meet to be held at Mt. Diablo High February 20.

Knights Wax San Ramon

The Las Lomas Knights were at their best last Friday night and as a result San Ramon found the going heavy as they dropped a 66-34 decision to the red hot Walnut Creek quintet.

The Knights had a good night from the floor as they hit the hoop from the floor on 23 of 40 shots for an excellent 57.5 per cent. San Ramon actually took more floor shots taking 42 but connected on but 11.

In addition the Knights dominated the game taking 41 rebounds to 22.

San Ramon stayed in range the first quarter when they trailed 17-11 but hardly kept in range the rest of the way as the Knights stepped up the pace to take a commanding 32-19 half time lead and really settled it in the third frame as San Ramon hit for but two points while the eventual winners garnered another big fifteen.

Tom Nichols wound up as the game's top scorer with 19 points while teammates Bob Nye and brother Bob Nichols each collected an even dozen points.

Wayne Forsell headed the Wolves with nine. The Knights made it a twin killing as their Bees won a lopsided 51-25 victory with Rick Scott and Phil Marsh showing the way as each connected for ten points.

San Ramon tops was Charles Bogue with nine.

Don Wrestlers Pummel Wolves

The Acalanes Varsity wrestling team rolled to a 41-13 win over the San Ramon Wolves in a meet held at Acalanes last Friday afternoon.

Match results: 105 Fox (A) pinned Flick (SR); 114 Butler (A) pinned Benson (SR); 122 Roach (A) won by default; 129 Doyle (SR) dec Cherry (A).

135 Rhett (SR) pinned Scott (A); 140 MacPherson (A) pinned Domenigoni (SR); 147 Nadol (A) dec Bechtel (SR); 156 Eglannd (A) dec Metteer (SR); 167 Holden (A) pinned Schuyler (SR); 177 Britos (A) pinned Buck (SR); 193 Stephens (SR) pinned Nichols (A) and Hvy Toll (A) dec Blake (SR).

Decisive Mark Made by Dons Against Knights

The Acalanes Dons won a decisive 36-11 victory over the Las Lomas Knights in a league match held at Walnut Creek Tuesday afternoon to avenge an earlier loss.

The Dons won all but three matches and one draw in the 156 pound division.

Individual match results: 105 Booth (A) pinner Egan (LL); 114 Crosby (LL) defaulted to Roeschen (A); 122 Cherry (A) dec Madson (LL); 129 Dahlgren (A) pinned Richter (LL).

135 Connallay (LL) dec Mohler (A); 140 MacPherson (A) dec Herr (LL); 147 Lee (LL) dec Nadol (A); 156 Egland (A) drew with Finnell (LL); 167 Holden (A) won by default over Inderbitzen (LL); 177 Willert (LL) dec Britos (A); 193 Nichols (A) dec Miles (LL); Hvy Toll (A) pinned Treat (LL).

Dodge Ridge Juniors Draw Berths on National Team

Three Dodge Ridge Junior ski team members picked up all-important points toward a berth on the Far West Ski Association National team last weekend at Yosemite's Badger Pass.

Jon Reveal. Pinecrest, placed seventh in the downhill on Saturday, and fourth in the slalom on Sunday in the overall standings for Boys' Classes I, II and III. This gave Jon an unofficial point total of 11 and placed him third in standings for team selection behind Gary McCoy, Mammoth and Jim Huega, Tahoe City. Jon is 15 years old and races in Class II division.

Another Class II skier, Henry Hamilton, 14 years old, Long Barn, garnered fifth in the downhill in all classes to pick up six points.

Skiing in Class I competition (ages 16-17), Jim Foley tied for seventh in the slalom event and gained 3½ points towards national team selection.

This weekend, Dodge Ridge will send a team of seven boys and one girl to compete in the second and final Junior championship Point meet to be held at Mammoth Mountain.

In addition to Reveal, Hamilton and Foley, team coach Earl Hitch states that J. D. Morrison, Richard, Chucker and Sally Twining, Pinecrest, and Steve Foley, will make the trip.

Following the Mammoth race, Far West Ski Association officials will choose a team of 12 boys and 5 girls to compete in the National Junior Championships to be held at Aspen, Colorado, March 17-19.

Jon Reveal was selected as a FWSA team member the past two seasons, and Henry Hamilton was on last year's team.

Current snow depths at Dodge Ridge range from 36 to 48 inches, with the chairlift, Poma lifts, T-bar and rope tows operating daily. Up-to-the-minute reports can be obtained by calling your local AAA office.

Season Still So-So Sierra Skiers Say

By RED WEEKLY

Methinks the 1960 skiing season in the Sierra has finally come into its own, and the time is here to take note of what central county residents are doing in the snow country.

Because there is an ever-increasing number of area snow-lovers traveling to the Highways 40 and 50 and Tuolumne ski resorts each week, The Sun has instituted this column which will appear every Friday (we hope!)

SNOW TRAVELS BY many central countyites as far back as six or seven weeks ago may tend to belie the previous statement that the season is just arriving, but if one will inquire he is almost certain to discover that until recently rocks were damaging a lot of skis.

The first real good weekend for genuine skiing was two weeks ago, and the snow packs in most areas are getting better as the days progress.

Just last weekend, the R. H. Lockeys of Lafayette trekked to Soda Springs and Sugar Bowl and found conditions there ideal on Saturday, but icy on Sunday. Snow fell so hard Sunday, however, that even the most ardent enthusiasts of the sport dashed for the fireplace about 1 p.m.

But now, ski rental and sporting goods shops throughout the area are stocked to the hilt and are ready for the weekly invasion of skiers, tobaggoners and snow bunnies.

A LAFAYETTE GROUP is heading for the Soda Springs area next weekend. The total probably will reach 21 persons before the journey begins.

And the Acalanes Ski Club is planning a Lincoln's Birthday weekend to Dodge Ridge the following week. The high schoolers will be chaperoned by the Lockeys, Mr. and Mrs. Ledru Frank, Mrs. Harvey Wehmeier, Mr. and Mrs. R. Mossman and Miss Margaret Nicholson, advisor of the club.

The entire group will be staying at Twining's, a private ski lodge-dormitory setup above Pinecrest on the Tuolumne highway from Sonora. While traveling along this beautiful and not so crowded stretch, snow bunnies might like to stop at such spots as Long Barn and Pinecrest.

SPEAKING OF ACALANES, the members of the school's A Cappella Choir will have one of the thrills of their young lives February 18, when they will sing at the impressive opening ceremonies of the Olympic Games at Squaw Valley.

The trip will be a one-day event, with the group leaving at 4 a.m. and returning that night, but the local residents will have the opportunity to see the Olympic jumping events, anyway.

It's going to be hard for "Skiing in The Sun" to keep up with all of the snow-lovers from the central county, so if you're doing anything you want noted in the column, drop us a line at any of The Sun's offices or call YE 4-5000, AT 4-4444 or CL 4-4343.

POWDER BOWL SKI Area was the recent destination of Mr. and Mrs. Francis Allen of 125 Meadow View. Children; left to right, are Jan, Sally and Nancy. The ski area is near Tahoe City.

KINGSTON

Kingston, now a ghost town in southern New Mexico, had a population of 7000 during a silver boom in the 1880s, according to the National Automobile Club. The town had 22 saloons and a theater where Lillian Russell once performed.

Acalanes, Los Lomas Tied for Lead in Foothill Race

Highlanders Slip by Dons In Thrilling Tilt for Knot

The Piedmont Clan pulled the carpet out from under the Acalanes Dons Tuesday afternoon as they pounded out a 36-33 win.

It marked the first loss of the Dons in league play and threw them into a tie with Las Lomas for the top spot in league standings.

The game was close all the way as Piedmont took a 13-12 first quarter advantage and then fell behind 25-22 at the half.

Acalanes held on for a squeaky 30-28 third quarter advantage only to be limited to a meager 3 point fourth quarter output with Paul Colin hitting a field goal and Chris Rinne accounting for the lone point from the free throw line.

The Piedmont gym was bedlam when with the count tied at 32 all and a minute to go, Bill Clayton hit for Piedmont from underneath with a payoff hook shot.

The Dons got the ball and worked it down court and shot with two seconds to go only to miss and when the clan's Rick Prestwood took the rebound he was fouled and in turn hit one from the free throw line as time ran out.

Clayton wound up as the games top scorer with 15 (6 FG - 3 FT) while the Dons Mel Simpson and Paul Colin had nine point apiece.

Prestwood in addition to Clayton drew praise from their coach Bob Cope for their all around play.

The Don Bees came through 28-24 win to stay in title contention as they stayed tied with Las Lomas and Miramonte for the league lead.

Gad Professor, You've Been Reading Your Own Stuff!!

By SOSS OPPLE

The Olde Professor finds another week of sports on tap and it's time to gaze at the crystal ball again. It doesn't have to be dusted off as the rain has worked it bright and clean.

One thing certain is that the University of California which usually follows tradition very closely hasn't this time in they keep putting off announcing the new head man.

It's still a deep dark secret and with that in mind it is hereby predicted that Cal will come up with a dark horse.

Chances are he will probably use electronic devices to pick his squad and decide his plays. The screening committee is certainly of high caliber—let's hope for the best. Even machines can make mistakes.

The Prof also predicts that San Francisco will end up with the new league professional football team thanks largely to the fact that this side of the bay has no place to play.

Taking a look at the local preps wide open basketball race one thing certain is that Acalanes and Las Lomas will play before a packed house at the Walnut Creek gym Tuesday afternoon.

The two clubs are currently tied as a result of Piedmont upsetting the Acalanes five.

Tab Las Lomas to win here to make the big one the grand finale when the two meet for the third time at the Del Valle High gym in the season's wind-up on February 19.

Tonight the Dons play at San Ramon and win there 47-37.

Next Friday Acalanes plays at Miramonte and wins here but not easy, it's 39-35.

Miramonte plays Las Lomas tonight and can't keep pace as the Knights ride to a 51-42 win.

In the Bee hoop race the Knights, Dons and Matadors are tied at this writing. Las Lomas will go out in front with Acalanes a game behind at the end of the week's play.

February 6 winds the Foothill Division wrestling meet being held at Miramonte. Acalanes won last year and with good depth will repeat this year with the Miramonte Mats close behind.

That's all until next week.

Pirates Rap Rams Twice

The Pittsburg Pirates scored a twin win over the Pleasant Hill Rams last Friday night as they shot and paced their way to a pair of wins taking the varsity game 551-27 while winning the Bee game 44-25.

In the varsity game the Pirates scuttled the Rams early getting a 15-8 first quarter lead and staying in front with a 28-11 half time advantage slowing down to outscore the Pleasant Hill five 9-7 in the third quarter and going away as they hit for 14 points in the final period to the Rams' 9.

The game played at Pleasant Hill found the Pirates' Ivie Lea and Sam Coston winding up with an even ten points apiece while the Rams best were Byron Lenerose with eight and Terry Hughes with nine.

In the Bee tilt the Pirates' Frank Bruno topped the field with 15 while Bob Jensen had 12 for Pleasant Hill.

Women's Volleyball

Women's volleyball is being held at the Pleasant Hill High School from 7:30 to 10 p.m. each Wednesday evening.

Women who wish to take part are invited to join the fun. About 30 women have now signed up.

Pleasure Skiers Have Ball; Rope Tow, T-Bar Operating

While there were no international races at Echo Summit last weekend, the pleasure skiers had a ball. For the first three quarters of the weekend the weather could not have been better. It was not brilliant, as there was a bit of cloud scum, Saturday and a bit more cloud cover Sunday morning.

The six inches of very wet snow which had fallen late in the week before were packed out almost immediately after the lifts got open Saturday morning and the warm temperatures kept the pack from hardening to ice.

Thus, while the track might not have been the best in the world if we were running an Olympic Downhill, the recreation skiers found the hills in good shape.

At just about two minutes after noon Sunday a few little flakes of the white stuff began to float down from the thickening cloud cover.

By one, the fall was getting quite heavy and for the rest of the afternoon Sunday it just plain snowed. Still many skiers braved the weather and skied in the new snow which was piling up fast. Before the afternoon was over there were a good three inches of new snow.

Echo Summit is geared to the recreational skier: no junior races; always good snow (at 7400 to 7800 feet elevation).

Golfer Nets Prize, Pro Gets $Cash$

By DIVOT DIGGER

W. Morgan Barofsky, one of the central county's top amateur golfers, boasts that he has been a participant in the links sport for 26 years.

For a man that's only 32 years old, that's doing quite well.

And quite well is what Barofsky, who lives at 1754 Ruth Drive, Pleasant Hill, did at the Crosby Pro-Am Golf Tournament at Pebble Beach last weekend.

MORG AND his partner, George Bayer, the long-hitting pro, combined to register a total score of 266 over the 72 grueling holes of the Crosby to wind up in third place. As a result, Bayer carted home an extra $1000, while Barofsky received another wall plaque to admire.

With a two handicap (which at times has been scratched), Morg managed to assist his partner in a total of 30 holes during the rain-soaked four-day tourney. There were eight assists on the first and third days and seven each on the second and fourth days.

"What made us feel especially good about the tournament was that we were ahead of the field after the first and third days of play," Barofsky said.

High finishes in top tournaments are nothing new to the Pleasant Hill golfer, however. Barofsky and his partner, Smiley Quick, wound up in fourth place in the 1959 Crosby with a total score of 260.

MORG ATTRIBUTES the much higher scores this year to what he termed "the worst playing conditions I've ever seen" during last weekend.

A resident of the central county for the last three years, Barofsky plays most of the central county courses whenever he has the chance, but said his most frequent rounds are at the Orinda Country Club. His favorite fairway partner is Steve Stimac, Concord pharmacist.

He gets sort of a faraway look in his eye when he admits that his playing has fallen almost to the "weekend" class, with work keeping him away from the course except for about four times a month.

WORK? THAT HAS to do with golf, too. Barofsky is a sales representative for Ernie Sabayrac, Inc., a firm which handles about 10-12 lines of golf equipment, including the Ben Hogan line. Morg services all of the golf courses from the Oregon border to Bakersfield and into western Nevada.

Born in Wisconsin and a former resident of the State of Washington, Barofsky said he thought of turning pro until he began raising a family, which now consists of his wife Carol, a four-year-old boy and a four-month-old girl.

Morg now is looking forward to taking part in the San Francisco City Amateur tournament next month—a tourney which he refers to as "my jinx tourney." Barofsky has lost out in the quarter finals of the S.F. Amateur five times in the last six years.

Mat Matmen Make Merry

The Miramonte mat team wrestled its way to a 26-19 win over the San Ramon Wolves last Tuesday afternoon to bring its season dual league record to four wins and one loss.

That makes the match this afternoon a championship affair as far as Acalanes and Miramonte are concerned as each have identical win-loss marks.

Individual match results: 105 Cannon (M) dec Flick (SR); 114 Benson (SR) dec Gustafson (M); 122 Clarke (M) pinned Derwingson (SR); 129 Ward (M) drew with Doyle (SR).

135 Thrailkill (M) pinned Hodge (SR); 140 Rhett dec Abbot; 147 Bechtel (SR) pinned Kent (M); 156 Pfeifer (M) dec Metteer; 167 Dishong (M) pinned Schuyler (SR); 177 Fries (M) dec Humphrey (SR); 194 Stephens (SR) dec Brooks (M) and Hvy Blake (SR) dec Boeger (M).

Mat Fans Wild; Wolves Drop Two

The Miramonte Matadors gave the home club fans something to shout about Tuesday afternoon as they chalked up a 43-39 varsity win and a 42-38 victory over the San Ramon Bees.

The varsity paced by Bill Caldwell who collected 8 of 17 points in the opening quarter got the Mats off to a flying start with a comfortable 17-7 first quarter lead.

San Ramon did outscore the Orinda five in each of the next three quarters but could never catch up enough to overcome Miramonte's lead as it was 25-18 at the half, 30-24 at the third quarter and as stated wound up with a final 43-39 count.

Caldwell ended up tops in scoring with 20 points (6 F.G.-8 F.T.) while Wayene Forsell was the visitors' best with 13 (6 F.G.-1 F.T.) with eight of the points coming in the final quarter.

Center Jack Gilbert collected 9 of 27 Miramonte rebounds to a 25 total or San Ramon.

Bob Welch came in off the bench to grab off five rebounds in the second half while Miramonte's Frank Feldman aided the winning cause with a perfect 4 x 4 from the free throw line.

In the Bee game, Miramonte won going away 42-28 with Doug Scarff hitting for 12 points while teammates Brad Peter, Micke McQuaid and Bruce Nickerson had ten.

ELKS SPEAKERS—Rowland Barrett, second from left, exalted ruler of the Walnut Creek Elks Club poses with Ed Henke, at right, and Gino Cimoli and Don Ferrarese, to his left, during "Fathers and Sons Sport Night."

Whirlwind End Gives Mats Win

The Miramonte Matadors staged a whirlwind finish last Friday to cop a thriller from the Piedmont clan hoop squad as they came from behind in the closing minutes to win 45-42.

The game was give and go all the way as Piedmont took a scant 8-7 first quarter lead only to have Miramonte come back to tie it up 19-19 at the half and it stayed a tie at the end of the third period as each club hit for 13 points.

In the final period the clan pulled ahead to lead 42-39 with two minutes to go only to have the roof fall in as the Mats' Bill Caldwell and Jack Gilbert each hit on a field goal and Milt Howe added a free throw to grab the win in the thrilling finish.

Gilbert headed the scoring column with 13 points while Coldwell had 12 and Howe 11.

Bill Clayton paced Piedmont with 12 while Dave Shaw had 10. Miramonte hit 17 out of 43 field goal shots and 11 x 23 from the free throw line.

Piedmont in turn hit on 16 of 49 field goal tries and 10 x 19 free throws.

Miramonte won the Bee game 37-33 with Dave Scarff's 10 points top for the winners. Piedmont's Cobbe Burges had 14, while Bill Klippert had 13.

Skit Slated at Monument on Bowling Can Be Fun Tomorrow

"Bowling Can Be Fun" — a half-hour comedy skit on the hardwoods — is scheduled tomorrow, at 8 p.m. at Monument Bowl.

The hilarious routines, presented by Shop For Bowlers of Oakland, feature Bob Sherod as MC, Bob Militani, Max Eastridge, Ralph Good, Darrell Robinson, Teddie Bedford and John Lewis.

Following the exhibition, there will be a match series between Shop For Bowlers and the Monument All-Stars. There is no admission charge.

Match Game

Two men teams and one of ladies representing Monument Bowl all took 3-1 wins over Saratoga Lanes in the first of a home-and-home match series. Top Monument scorers were Walt Katarzy, 235—562; Bud Freitas, 214—571; Al Shuler, 219—564, and Lillian Martinez and Helen Cavnar, 502 each.

Classic

Compton's Sporting Goods, led by Wes Ellis' 601, blanked Paddock Bowl to move into a first place tie with Diablo Bowling Supply, whose Boyd Markle posted 610 and Nel Martinez 225. DBS also had a 1024 team game. Frank Sweeney of Lawrence Chrysler-Plymouth put together a 620 set.

Diablo 810

Walnut Creek Electric took three points from Fry's Market to hold the lead and Team 4 retained second by beating Lafayette American Legion, 3-1. The Legion's Earl Gustafson and Red Pfeiffer of Mayfair Market both had 548s and Jerry Hoffman of Apex Manufacturing rolled a 221.

Diablo 760 Handicap

O'Hara Trophies won the first half title. Hendrick Piano blanked Adler Tires to tie Walnut Creek Native Sons for second. O'Hara's John LaBounty had a 571, Hal Aarhus of Sons of Norway posted a 223 game.

Madcaps

Seller's Signs won the first half by two games over Herb's Morwear. Marilou Kerber topped the action with 202—496. Herb's had high team game of 723 and high team series of 2132.

Carol Leland A Lady of Many Interests

By JEAN JERNIGAN

Be it scouts or science, fashions or therapy, at home or in the community, the capable leadership of Mrs. Richard Leland of 15 St. James Court, Orinda, has enriched the lives of many youngsters and adults.

Mother of four, Mickey Wilbur, 16, Kitty, 14, David, 6, and Carol Lu, 4, Carol Leland plunged into community service in Orinda ten years ago.

A member-at-large of the Diablo Valley Council, Girl Scouts of America, she first became interested through her daughter Kitty and served as a brownie and scout troop leader. Now her work is entirely through the council and at present she is chairman of the International Friendship program.

Mrs. Leland values her work with the Girls Scout Council and said, "One of my proudest possessions and one that I dearly treasure is a 'Thanks Badge,' Girls Scouting's highest award, which was presented to me last year."

A LADY of diversified interests, Mrs. Leland was nominated for the "Orinda Man of the Year" and received an honorable mention for her work towards making the Miramonte Science Seminar a reality.

As a member and chairman of the Parents Club, and later as program chairman for the Miramonte Mothers Club, she interested other parents in working for the seminar.

She said, "We were on the lookout for things of interest to parents for stimulating and challenging their students. We heard of a science seminar program in Palo Alto and visited it.

By persevering we gained the support of the community and after a lot of hard work by many people were able to bring about the Miramonte Science Seminar."

"Eighty-eight students applied, and after careful screening 22 were chosen to participate in the program. The program opens up avenues to the youngsters that they are not likely to get, even in college.

The first hour is a lecture, and the second hour devoted to research projects. During this second hour the scientist works individually with a boy.

IT IS wonderful to see these big men give up two hours every Wednesday night. We have had such scientists as Dr. Glenn Seaborg. It is amazing at the number of truly great men there are living right here in the area."

Mrs. Leland's son, Mickey, is a senior at Miramonte and a National Merit Scholar. It was partly through his interest in science that she became interested in the formulation of a science seminar. She says, "Our group is working now, to see if it will be possible to do the same in the humanities."

As vice-president of the Tanager Unit of the Mt. Diablo Therapy Center, Mrs. Leland said, "It is real thrilling the things they do to help men and women who have been injured learn to be independent."

A MEMBER of Beta Sigma Phi for "20 years or so," Carol Leland helps to produce their fashion show in the Garden Room of the Claremont. This is no small task, as last year they sold 600 tickets and hope to do better this year.

The fashion show will be March 26 and all proceeds go to the American Cancer Society.

Richard Leland, an Oakland teacher, is as concerned as his wife with community service, but they both agree on the importance of doing things together as a family unit.

She said, "We do many things together, going to the city to see dance groups, foreign language films and sometimes to their disgruntleness, concerts.

A FEW YEARS ago they took the two older children on a trip across the country and visited Washington and New York. More recently they toured New England together and went on northward to visit Quebec. This summer the entire family plans to visit the Islands.

Born in Salt Lake City, Mrs. Leland came to California in 1924 and was educated here, earning her B.S. degree at the University of California.

COMPUTER built by Mickey Wilbur, Miramonte senior, is source of interest for his mother, Mrs. Richard Leland and his brother and sisters, Kitty, David, and little Carol Lu. Mrs. Leland helped organize the Miramonte Science Seminar.

ANTICIPATING the Orinda Woman's Club big fund raising event to be held February 10, when Count Marco will talk about women, are Mrs. C. Freeman Bishop, standing, Mrs. William Van Voorhis, left, and Mrs. J. R. Funk.

Count Marco to Lecture at Rheem

Luxurious furs and beautiful women will headline the afternoon of February 10 for the Orinda Women's Club when they present the famous Count Marco in a half hour lecture at the Rheem Theater in Moraga.

Count Marco will discuss his favorite subject, American and European women, and Benioff's will preview spring furs and fashions with John Robert Powers models.

The hour of charm will begin at 1:15 (for women only) so come early!

The following committee members have prepared this intriguing afternoon: Refreshments: Mmes. Norwood Allen, John Bannister, Roger Bond, and Richard Funk; decorations were done by Mmes. C. Freeman Bishop, and Henry Soubielle; introductions, Mrs. R. L. Cook; models, Mrs. Kenneth Flannagan; tickets, Mmes. Harry Fledderman and Chris Madsen; music, Mrs. Vernon Lorch; programs, Mrs. Calvin Schaefer; posters, Mmes. Frank Ulbrich, William Van Voorhis, and Don Woodcock; and general arrangements, Mmes. Clifford Campbell and Holland DuBois. Co-chairmen were Mmes. Phillip Mittell and Ernest Haynes.

Hadassah Views Education Film

Members and friends of Diablo Valley Chapter of Hadassah viewed the film "Am Yisroel Chai," People of Israel Live, at a recent meeting.

The program highlighted Vocational Education in Israel with a report by Mrs. Joel Saldinger. Hadassah helps to support a comprehensive education system designed scientifically to train young men and women to take their place in Israel's expanding economy.

The meeting was held at the Pleasant Hill home of Mrs. Fred Katzburg, 533 Westover Lane. Mrs. Leonard Morgenstern assisted Mrs. Katzburg as hostess.

Cosmetologists Plan Contest

The Diablo Unit No. 51, California Cosmetologist Association was held recently at Sid's in Concord.

Dolores Ries, president, introduced Joe Delaeado who represents Clairol. Ken Black of Concord was the guest artist and introduced the latest in hair styles.

A forum meeting will be held March 20 and will represent the various units throughout the central and northern California areas.

A hairstyling contest will be held in the late spring for contestants throughout the state. Trophies will be awarded.

Skate for John Muir Hospital

Ladies of the Sierra Guild of the John Muir Memorial Hospital have announced a program of ice skating on Tuesday evenings to benefit the hospital building fund.

Owners-managers of the Walnut Creek Ice Skating Rink, Skippy Baxter and Neil Rose will cooperate with the Sierra Guild opening the rink to children and adults on Tuesday nights from 8 p.m. to 10:30 p.m. for just fifty cents per person.

Mrs. Frank E. Thomas, publicity chairman, said tickets for the skating program must be purchased from a guild member.

The ticket chairmen are:

Mrs. Robt. W. Hoyer, 95 Cleopatra Drive, Pleasant Hill, Mrs. Frank T. Malley, 408 Happy Valley Road, Lafayette, Mrs. George Madsen, 1521 Brooks Street, Walnut Creek, and Mrs. William Anderson, 42 La Sera Court, Alamo.

Families are urged by Guild members to have healthy fun together learning to skate, or skating for fun and practice, at the same time giving a boost to the hospital building fund.

Baxter and Rose plan to give skating demonstrations and free group instructions for the wobbly.

Birthdays to Be Celebrated Tues.

Members of the Lafayette Women's Club will celebrate the twenty-fourth anniversary of the cdub and the birthdays of club members at a noon luncheon in the Walnut Room of the Concord Inn on Tuesday.

Mrs. B. D. Blackwood will be mistress of ceremonies for the festive affair and Mrs. Lloyd Smith will be general chairman. Ladies serving on the committee are the Mesdames Vincent Lombardo, Albert Anaclerio and Ted Clark.

Kappa Alphas Met Recently

The 1960 season got under way for the Diablo Valley Club of Kappa Alpha Theta with the first meeting of the New Year held at the home of Mrs. George Pickering, 848 Santa Maria Way, Lafayette last week.

Dessert and coffee were served at 12:30 p.m., followed by a program to celebrate Founders Day.

Mrs. William Gonser of Berkeley, who is acting Grand Vice-President of Kappa Alpha Theta, attended and gave a talk on "The Founding of the Fraternity." Mrs. Dana McDuffee of Piedmont, a past College District President for the Ninth District and now Scholarship Chairman of Kappa Alpha Theta, was an honored guest.

Walnut Branch Schedules Many Events for 1960

Walnut Branch of Children's Hospital of the East Bay met recently at the home of Mrs. William Imbrie, Walnut Creek. Mrs. J. Allen Madison, the new chairman, directed the meeting.

Assisting Mrs. Madison on the many branch events scheduled on the 1960 calendar will be Mrs. Rodney K. Hall of Lafayette, vice chairman, who will handle all tickets for the various Branch and Hospital events; Mrs. Terence C. Ring, recording recretary; Mrs. Frank Burkett, corresponding secretary; and Mrs. D. Charles Williams, treasurer.

Appointed hospitality chairman was Mrs. King Crosno, of Walnut Creek. Mrs. John H. Burgess, of Lafayette, will be handling publicity. Mrs. John H. Griffity, of Walnut Creek, who held the branch chairmanship last year, is now magazine chairman, while Mrs. Donald E. Kientz, of Walnut Creek, is in charge of the rememberance fund. Mrs. Louis W. Werthman of Walnut Creek, is handling all branch properties.

Among the plans for the spring will be the hospital's Easter Fair at the Claremont Hotel in Berkeley, March 3 to 6. Mrs. Robert B. Wentz, of Concord, will be in charge of the table settings entered by Walnut Branch.

Another spring event will be the April rummage sale, which will be headed by Mrs. Edwin C. Litsinger, of Pleasant Hill.

Mrs. Robert Bruen, Jr., of Walnut Creek, has been selected as chairman of the annual Festival of Flowers and Fashions, which will be held on May 10, at the Howard gardens in Walnut Creek.

Walnut Branch again had the honor of having two of its members selected by the hospital's executive council as "Women of the Year" among 76 branches for their outstanding and devoted service to the hospital. They were Mrs. D. Charles Williams, who was awarded this honor for the tenth ear, and Mrs. Donald Kientz, who was so honored last year as well.

McGrath Joins Pi Sigma Kappa

John N. McGrath Jr., 1377 Hermine Court, Walnut Creek, has been initiated into Phi Sigma Kappa, national social fraternity at Lehigh University.

Two Represent Mayten Branch

Beauty and romance seem forever merged in a woman's mind.

And with "Beautiful You" as its theme, the fashion show presented by Chinquapin Branch, Children's Hospital of the East Bay, on Thursday, struck a romantic not with cupid as the principal figure of the decor.

White and gold ceramic cupids bearing floral offerings to Milady centered each table at the 12:30 luncheon in the Empire Room at Berkeley's Hotel Claremont. Two large suspended cupids held rose ribbons which lead to an arch where a white dove perched dramatically against turquoise drapes. Rose and gold trees flanked the model's runway and approaching staircase.

Included on the list of models were the Mesdames William Cook and Albert Johansson of Mayten Branch, Orinda.

Women in The Sun

A SWEETHEART banquet will be held at the Concord Inn Monday by members of the Christian Women's Club for their husbands. Mrs. C. D. Sholty, chairman gives a valentine invitation to Mr. Sholty as Mr. and Mrs. R. C. Saxton look on.

Judith Miner Becomes Bride of Dr. J. L. Hockel

Judith Ann Miner became the bride of Dr. Jack Lewis Hockel at a noon ceremony in Santa Maria Church, Orinda, on Saturday, January 23.

Given in marriage by her father, Ronald Beal Miner, the bride wore a gown of hand clipped chantilly lace with a basque bodice and sabrina neckline. The fly-away back of lace formed a chapel train on the bell-shaped skirt.

Her heirloom veil of illusion was worn by her maternal grandmother and her mother at their weddings and is 52 years old. The veil was attached to a crown of sequins, rhinestones and seed pearls.

The bridal bouquet was a cascade of baby white roses and stephanotis with accents of green.

The Reverend Joseph Schechtel, S. J. of Alma College, Los Gatos performed the ceremony.

Bonnie Miner was her sister's maid-of-honor and the bridesmaids were Vivian Googins of Orinda, Sally Pyle, a classmate of the bride's at U.C. School of Dental Hygiene and Marybeth Hockel, the groom's sister.

The bridal attendants wore full-skirted dresses of emerald green peau de soie with sabrina necklines, scoop-necked backs and matching cummerbund. They carried old fashioned bouquets of white carnations with white satin leaves. The maid of honor's bouquet was centered with a pink rose.

Dr. Thomas F. Basta stood with the groom and the ushers were Richard McKenna, Michael Tribel and Dr. Maurice Corbett all of San Francisco.

Mrs. Miner chose a silk organza sheath dress with rose and leaf print in beige and copper tones for her daughter's wedding. She wore matching accessories and a green slipper orchid corsage.

Champagne beige chiffon was the groom's mother's choice for her sheath dress with plaited cummerbund. She wore a corsage of Cymbidium.

The bride is a graduate of Acalanes High School and received her A.A. degree at the University of California. She will graduate in June from the University Medical Center in San Francisco.

The groom graduated from Watsonville High School and took his pre-dental studies at San Jose State, graduating from the University of California in 1959 with the degree of D.D.S. from U.C. Medical Center. He is affiliated with Delta Sigma Delta, international dental fraternity.

After a Tahoe honeymoon the couple will be at home at 415 Carl Street San Francisco until the bride graduates from the medical center at which time they will make their home in the east bay.

Dr. E. Pope Will Address Mills Club

The Mt. Diablo Mills Club will meet on Tuesday night at the home of Mrs. Herbert Von Colditz of Arrowhead Drive in Lafayette.

Featured speaker of the evening will be Dr. Elizabeth Pope, associate professor of English at Mills College, who will speak on "Alice in Wonderland."

Dr. Pope will be entertained at dinner before the meeting at the home of Mrs. John MacKenzie of Sweet Drive, Lafayette. Present at the dinner will be Mrs. Ned Conner, Mrs. Harold Butzbach and Mrs. Gordon Amrein, all of Walnut Creek, Mrs. Hugh McJunkin of Concord, president of the club, and Mrs. James Burris and Mrs. William Hobbs of Lafayette.

Dr. Pope has been chairman of the English department at Mills College since 1944. She received her B.A. degree at Bryn Mawr and her doctorate at Johns Hopkins.

She has published chiefly in the Shakespeare - Milton field but has an equal interest in the Victorian field of literature. In 1947 and 1948 Dr. Pope served as fellow at the Folgers Shakespeare Library in Washington, D.C. Dr. Pope is author of Sherwood Ring, an historical fantasy for young people.

D. A. R. Dates Dessert Luncheon

The Acalanes Chapter of the Daughters of the American Revolution will meet Monday at the home of Mrs. Irwin Miller, 3517 Rowe Place, Lafayette.

Regent Mrs. James Box, of Concord, announces that after the 12:30 dessert luncheon and business meeting, Mrs. George Hack of Berkeley, Americanism chairman of the chapter, will be the speaker of the afternoon.

Mrs. Hack, who has just returned from an extensive trip to the Orient, will give highlights of the differences in view points and ways of life in those countries as compared to our own under our American system of government.

As February is American History month, the chapter will pay honor to American patriots and the American way of life.

Representatives of Acalanes chapter of the northern council meeting in San Francisco were Mesdames James Box of Concord, Irwin Miller of Lafayette, Clarence Smith of Orinda and Harvey Lyon of Oakland.

Femineers Install Officers

The Woman's Athletic Club in San Francisco was the locale of the Femineers' luncheon meeting last week.

Among the new officers installed at the year's first meeting are Mrs. Theodore E. Newman of Lafayette, president, Mrs. C. Russ Graff of Danville, vice-president, and Mrs. Merrill R. Newmann of Alamo, board of directors.

Sweetheart Banquet for Husbands to Be Monday

Members of the Christian Women's Club, Contra Costa branch, will entertain their husbands in true "leap year" style at their Sweetheart Banquet on Monday at the Concord Inn, Willow Pass Road, at 7:00 p.m.

The women will present a full evening of entertainment, as well as have an opportunity to share with their guests their vision of rural missions in America.

Mrs. Charles D. Sholty of Pleasant Hill, club chairman, has announced that George T. Raust, Oakland jeweler, will speak on "Precious Stones."

Raust will exhibit a large collection of gem stones including both cut and uncut, and will explain their preparation by cutting and polishing for use in jewelry. Raust is president of the Bay Cities Bible Institute, and conducts youth camps and conferences throughout the country.

Leonard Wecks will sing a group of solos. Wecks, assistant to the pastor and director of music at the Lafayette-Orinda Presbyterian Church, will be accompanied by Mrs. Wecks.

Among the committees meeting for pre-party planning was the telephone committee which was entertained January 20 at the home of Mrs. Lloyd Steiger in Concord. Mrs. Kenneth Aston of Pleasant Hill, committee chairman, was co-hostess for the affair which was attended by Mrs. David Thompson of Danville, Mrs. Walter W. Soroka of Lafayette, Mrs. Robert C. Saxton of Moraga, Mrs. Nita Hoxie of Pleasant Hill, Mrs. David Sweetman, Mrs. Jeff D. Morris, Mrs. Jack Gerend and Mrs. Howard Stafford of Concord and from Walnut Creek Mesdames Harold Roderick, Harry M. Fisher and J. Russell Guild.

On January 27 a coffee hour honoring the hostesses was held at the home of committee chairman Mrs. Harry M. Fisher of Walnut Creek.

Included in this group were Mesdames Ed Traeger, Jack Dennis Harpe and Mrs. M. R. Press of Concord; John Winchester, Eugene P. Best, Harold Howerton, and Gertrude Hubbell of Walnut Creek; Carl E. Nelson of Moraga; and Mmes. Roderick, Stafford, Steiger and Aston.

Also assisting as hostesses for the evening will be members of the Board, Mrs Kenneth Dougan of Concord, corresponding secretary; Mrs. Frank Dobbs of Concord, treasurer; and Mrs. Dale Hamann of Walnut Creek, program chairman.

The decorations have been prepared by Mrs. Clifford B. Koening of Walnut Creek and her committee which includes Mmes. Winchester and Roderick, with assistance from Mrs. Soroka and Mrs. William Newton of Lafayette.

Miramonte Mirror...

Semester Break Is Here-- Matadors Invade Edelweiss

By JUNE NOLLER

Finals, cramming, memorizing and diligent studying are over! The effect of the recent Mirador headlines ("Repent Sinners! Study for Finals!!) has even been forgotten! And as Miramonte students are breathing their last sighs of relief, celebrations begin!

The senior class is celebrating by taking off for Edelweiss at 5 o'clock tomorrow morning! Some of those braving the early hours for a day of skiing are: Dana Cook, Jim Boyd, Sue Jensen, Jeff Neighbor, Katy Baker, Kathie Shurtleff, Skip Nelson and Sue Henry.

Besides going on the ski trip, Ruth Thompson, who is treasurer of the student body, is going to "sleep and get everything done that I haven't been able to think about for two weeks!"

Even though they have to rise before the sun tomorrow to go skiing, Sylvia Howes, Judy Hopkins and Caroline Gallatin plan to celebrate by throwing a party tonight!

The Teen-Age Club will also be leaving for Edelweiss tomorrow. Carolyn Boburn, Tara Doty, Tom Gaffaney and Bev Graham are among the skiiers planning to go on the trip.

It seems the lower classmen can never get away from the seniors! (and vice-versa). I wonder what the seniors have planned for them at Edelweiss? They could make them pay for their chair lift tickets, but to be more polite they should only make them carry their skis. Whatever the results are, it looks as though Miramonte will take over the slopes of Edelweiss for the day.

While Miramonte students ski and celebrate the end of finals, their exchange student to Italy, Bob Newman, will be on his way home. He will arrive tomorrow evening after a six-month exchange program in Lecco, Italy.

In mid-ski-season, on February 19, the sophomore class will present their main event of the year—the Sophomore Hop. This year it is under the direction of Paul McChesney, vice president of the class.

The theme of the sophomore dance will be "Passport to Romance." Karen Rigor, Hester Harris, Barry Klopfer and Judy Hopkins head the committees which will organize the events of the evening.

Last Friday the Block M Society presented their yearly affair. It was a dance held in Miramonte's cafeteria. Lonnie Anderson and Frank Feldman, and Linda Williams and Butch Guarneri were reported to have had the best time of everyone at the dance!

The Assemblies Committee of Student Council, under the direction of Kathie Calhoun, who is student body V. P., has planned a series of assemblies for the rest of the school year. In May, San Ramon High School will present an exchange assembly here at Miramonte. March will bring a Jazz Assembly put on by Miramonte students including Jeff eighbor and Butch Guarneri. Professional assemblies may include a folksong duo and pantomime artists, which are not confirmed as yet.

Though the school year is only half through, the Parent's Club has already begun the planning of the Senior All-Night Party for Graduation Night. Representing the senior class at the Parent's Club discussions concerning the party are: Judy Ageno, Suzie Lahti, Gail Dishong, Allan Geissler, Dave Dail and Jim Boyd. The students attend the meetings to give their ideas and opinions to the parents. Among the possible sites for the party are the Lake Merritt Hotel, a ferry boat and Castlewood Country Club. The majority of the students like the novel idea of having the party on a boat, instead of in a hotel or club.

Coming up in March is a starlight spectacular which will be produced by the music department. "Winter Concert" is the title of this musical show. It will feature the band, chorus and choir and will take place on the night of March 4.

James Barr Will Receive 50-Year Masonic Award

James D. Barr, 16 Los Amigos, is one of a rare few to attain the coveted 50-year Masonic pin.

He will receive this honor at a special ceremony to be held Tuesday at the Community Church in Orinda. All friends and members are urged to be present on this occasion. The meeting will start at 8 p.m. following a stated meeting dinner.

Barr's long and distinguished Masonic career began back in 1909 when he became a member of Mansfield Lodge 35 AF & AM. Later he moved to Tacoma, Washington, where he affiliated with Tacoma Lodge 22 in 1919. Then to Orinda where he joined Orinda Lodge 704, of which he is presently a member.

Barr is also a member of the Oakland Scottish Rite, Aahmes Temple of the Shrine — also a Knights Templar. His other activities include membership in the Oakland Kiwanis Club. He is a past governor of the northwest district, comprising Washington, Oregon, and British Columbia.

Dullum, Raskob Are Reelected to Board

Two Orindans were relected last week to the board of directors of Hanna Boys' Center, the California "boys' town" near Sonoma.

Art Center Announces New Class

The Orinda Art Center announces a spring session of art class for school children, beginning tomorrow and extending through June.

This class will be held each Saturday morning from 9:30 to 11:30 at the Glorietta School.

According to Mrs. Fred Tarp, chairman, these classes are very popular and children should be registered early. Forty - seven were enrolled in the fall class and Mrs. Tarp predicts the spring class will attract as many, if not more.

THE ORINDA Art Center is planning a social function early this spring so that the children's works may be displayed for public viewing.

According to Mrs. Shepard Jones, president of the art center, this class has been a springboard for many art careers and has uncovered several talented children.

The fee for the 14 weeks is $5. Information may be had by calling Mrs. Tarp—CL 4-5673.

Rasmussen Tops Western Region For Ad Agency

Phipps I. Rasmussen, San Francisco advertising executive and marketing authority, has been named executive vice president of McCann-Erickson Advertising (USA) in charge of the western region.

Rasmussen resides at 15 La Cintilla with his wife and two children.

THE WESTERN region of McCann-Erickson Advertising now includes Chicago as a part of the new alignment of advertising divisions of McCann-Erickson, Inc.

Rasmussen, a veteran of 25 years in the advertising agency field, came to McCann-Erickson from J. Walter Thompson in 1939. Following a four-year interruption for service in the Navy during World War II, he returned to the San Francisco office of McCann-Erickson in 1945.

He became a vice president in 1954, San Francisco manager in 1956 and a member of the board of directors in 1958. He also serves as a member of the executive policy committee.

Cub Scout Pack Has Science Fair

A Cub Scout Science Fair was presented last week at Miramonte High School by Orinda Cub Pack 57. Each boy demonstrated an experiment to the group and den displays showed work during the previous month in chemistry, physics, and astronomy.

Tim Windle was advanced to Lion rank and Jim Thomas and Bob Dunlop received Bear awards. Wolf awards were won by Paul McKinnon and by all seven boys of Den 2, who became Cubs in October, 1958: Tom Andres, Jeff Blanc, Ron Glaeser, Gordon Massie, Bill Mutch, Steve Serr, and Andy Wistrich.

Pack chairman D. J. McKinnon acted as Cubmaster for the evening. E. R. Reichmann was theme chairman for the month.
